Dear Reporter:

This quarterly report of taro millings, combined with similar reports from other millers, will be useful to both the industry and other data users. Response to this survey is voluntary and not required by law. However, cooperation is important in order to accurately estimate taro production in Hawaii. Please complete this form and return it promptly in the enclosed envelope which requires no stamp. Information reported will be treated as confidential and used only for statistical purposes.

Sincerely yours,

Mark E Hudson
