Institutional Review Board

Agreement to Comply with Human Subject Protection Requirements

The following project has been found by the Institutional Review Board (IRB) to be in compliance with the human subject protection requirements as specified in 45 CFR 46.

Project Title:	HANDI Evaluation Support
Project Director(s):	Mary Miller
ICF Macro Project Number:	35211.00.000.00
Approval Date:	February 18, 2010
Next Annual Review Date:	February 18, 2011

As the responsible principal investigator for this project, I agree to adhere to the human subject protection procedures that were approved by the IRB, and to inform the chair of the IRB when any changes are made in the approved procedures. The approved procedures include all of the following:

- Subject selection and recruitment procedures
- Data collection procedures
- Informed consent procedures
- Protection of privacy and confidentiality procedures
- Data security procedures
- Additional safeguards specified by the IRB.

If you have any questions regarding changes in procedures that are subject to IRB review, please contact Jack Hermann (Jack.Hermann@sfr.fr) to discuss your concerns.

Also, as the responsible principal investigator, I agree to cooperate with the IRB annual review(s) of this project. Several weeks prior to the next annual review date listed above, the IRB secretary will send you an IRB Project Annual Review Form to complete and submit to the IRB before the annual review date. The purposes of the IRB Project Annual Review Form are 1) to provide the IRB with updated information on the procedures used to protect the human subjects who are involved in this project, and 2) to help the IRB determine if the project is in compliance with the requirements in 45 CFR 46.

Mary Miller
