Saguaro National Park Bioblitz On-site Survey

To be completed by TAMU researcher:

ID#: _ _ _ _ Date_____
Interviewer:_____
Location_____
Time_____ Survey Interval_____

Hello, I am (name and affiliation, i.e. TAMU student, etc.). We are conducting interviews with visitors to the Saguaro National Park Bioblitz. The information you provide us will help the National Park Service better understand why people participate in Bioblitzes and the impact of these activities on their attitudes toward park resources. You have been selected as part of a random sample of park visitors to the park to participate in a survey. . Could I ask you a few questions it should only take about ***2 minutes,*** *and all of your answers are voluntary and will remain anonymous.*

May I proceed?
Yes → Are you 18 years or older?
___NO → Thank and proceed to next person in group)
___YES →
→ May I ask you two short questions?
No → Thank and record "Refusal" on survey log.
Yes → (Record answers to the following question on survey log)
1. Have you participated in Bioblitzes at other national parks?
2. Do you have friends, family or colleagues that are also participating in the NPS/NGS Bioblitz at [Park Name]?

Thank you. We would like to ask you some additional questions after you have returned home from your visit. Would you be willing to take a short survey either on-line or by receiving a copy in the mail? Would you be willing to give us your name and mailing address or if you prefer your email address? We will send you a follow-up survey to complete in a week or so. It would help us if you returned it as soon as you receive it that way you will be able to remember more about your Bioblitz experiences.

ASK RESPONDENT TO PROVIDE NAME AND MAILING ADDRESS OR EMAIL ADDRESS (THEIR PREFERENCE). THANK RESPONDENT AND TERMINATE INTERVIEW.

STATE:_____
ZIP:_____

THANK YOU FOR YOUR TIME AND INPUT

PAPERWORK REDUCTION ACT STATEMENT: 16 U.S.C. 1a-7 authorizes collection of this information. The information you provide us will help the National Park Service better understand why people participate in Bioblitz activities and the impact of these activities on their attitudes toward park resources.. Your participation is voluntary and your responses will remain anonymous. No action may be taken against you for refusing to supply the information requested. When analysis of the questionnaire is completed, all name and address files will be destroyed. Permanent data will be anonymous. Public reporting burden for this collection is estimated to be no more than **2 minutes** per response. Please direct any comments regarding the burden estimate or any other aspect of this collection to: Sally Plumb, Biodiversity Coordinator, 1201 Oakridge Drive, Suite 200, Fort Collins, CO 80525, (970) 267-2180 (phone) or sally_plumb@nps.gov(e-mail).
