

## **INSTRUCTIONS TO REGISTRANTS FOR FILING 2020 PESTICIDE REGISTRATION MAINTENANCE FEES**

The Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) requires everyone who holds an active or suspended pesticide registration to pay an annual fee to keep the registration in effect. **Please note that checks, bank drafts and money orders are no longer an acceptable form of payment.**

The fee is **\$4,000 for each registration** up to the maximum fees which can be assessed to a single registrant. For certain qualified small businesses, there is now a provision for a **25% discount of the fee on the first product**. A qualified small business must have 500 or fewer employees; during the 3-year period prior to the most recent maintenance fee billing, have **average annual global gross revenue from all sources (includes pesticide and non-pesticide revenue)** that did not exceed \$10 million; and hold not more than 5 Section 3 and Section 24(c) pesticide registrations combined. See fee schedules on page 10 for details. **The following documentation is required for Agency staff to evaluate your eligibility for the 25% discount:**

- **Documentation of payroll information such as a recent IRS Form 941 or a statement certifying the total number of individuals employed by the applicant;**
- **Documentation of the 3-year average annual global gross revenue for 2016, 2017 and 2018 from all sources which may include the first page of IRS Forms 1065, 1120, or 1120S, as applicable, or audited financial statements. Please note that financial information must include any parent company or affiliates.**

**2020 MAINTENANCE FEES ARE DUE BY WEDNESDAY, JANUARY 15, 2020**

### **Pay On-Line (See Page 8 for Instructions)**

Registrations for which the fee is not paid will be canceled, by order and without a hearing. If you do not pay the fee to keep a registration in effect, you will be permitted until January 15, 2021, to dispose of existing stocks of the pesticide, except in special circumstances when less time may be granted.

#### **Paperwork Reduction Act Notice**

*Public reporting burden for the collection of information is estimated to average 0.9 hours per response, including time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden to:*

Director, Collection Strategies Division (2822)  
U.S. Environmental Protection Agency  
1200 Pennsylvania Avenue NW  
Washington, DC 20460

Or to: Office of Information and Regulatory Affairs  
Office of Management and Budget  
Washington, DC 20503

Include the OMB Number (OMB 2070-0179) in any correspondence.

## CONTENTS OF MAILING

Please ensure that you have received the following items which will be mailed in November 2019:

- A transmittal letter from Richard P. Keigwin, Jr., the Director of the Office of Pesticide Programs;
- A computer printout listing all your active or suspended registrations under either section 3 or section 24(c), as shown in our records as being registered **on or before October 1, 2019** and do not have a pending cancellation notice in the Federal Register; and
- The Pesticide Registration Maintenance Fee Filing Form already labeled with your EPA company number and company name and address of record for filing your response. Please include an email address on the form as we hope to move to an electronic platform in the next few years.

You will need all these items. If any of them are missing or have questions, please send an email to Mick Yanchulis at [yanchulis.michael@epa.gov](mailto:yanchulis.michael@epa.gov) or call (703) 347-0237.

## GENERAL INSTRUCTIONS

You must choose which of your registrations to support by paying the maintenance fee, and which to ask us to cancel. You report your decisions about individual registrations to us by annotating the computer printout. You then summarize your decisions on the Pesticide Registration Maintenance Fee Filing Form and return the annotated printout and a copy of the form. See mailing instructions on page 8 of these instructions.

## REGISTRATIONS SUBJECT TO THE MAINTENANCE FEE

The fee must be paid to keep in effect all primary registrations granted under FIFRA section 3, and all registrations to meet special local needs granted under FIFRA section 24(c). Please note that only products registered on or before October 1, 2019, are subject to the 2020 maintenance fee. Products currently under a pending cancellation notice in the Federal Register have been removed from product listings because a maintenance fee cancellation cannot supersede the pending cancellation notice.

Section 3 registrations for which the maintenance fee is required are identified in the printout by a two-element registration number in which your EPA Company Number is the first element. Section 24(c) registrations for which the maintenance fee is required are identified in the printout by a three-element number including the abbreviation of the state issuing the registration, the last two digits of the year it was issued, and a four-digit serial number.

## FEE WAIVER FOR MINOR AGRICULTURAL USE

The 1990 Farm Bill amended FIFRA to allow the Administrator to reduce or waive maintenance fees for minor agricultural use registrations, when she determines that the fee would be likely to cause significant impact on the availability of the pesticide for the use. If you believe that one or more of your registrations may qualify for this reduction or waiver, please send an email to Mick Yanchulis at [yanchulis.michael@epa.gov](mailto:yanchulis.michael@epa.gov) or call (703) 347-0237 for special instructions.

## **FEE WAIVER FOR PUBLIC HEALTH PESTICIDES AS DEFINED BY THE FOOD QUALITY PROTECTION ACT**

The Food Quality Protection Act (FQPA) allows the Administrator to waive the maintenance fee for public health pesticides if the Administrator determines, based on information supplied by the registrant that the economic return to the registrant from sales of the pesticide does not support the registration or reregistration of the pesticide.

To qualify as a public health pesticide, as defined by FQPA, the following conditions must be met:

1. The public health use of the pesticide product must be a minor use. FIFRA defines “minor use” in Section 2(11).
2. The pesticide must be registered for use **and** used **predominantly** in public health programs.
3. The use of the pesticide in the public health program must be for vector control or for other recognized public health protection purposes.

If you believe that one or more of your registrations meet all three of these criteria, please include a written justification which identifies the product(s) and explains why the product(s) meet the statutory definition of a public health pesticide and why the fee should be waived.

### **25% DISCOUNT ON THE FIRST PRODUCT FOR QUALIFIED SMALL BUSINESSES**

For certain qualified small businesses, there is now a provision for a 25% discount of the fee on the first product. A qualified small business must have 500 or fewer employees; during the 3-year period prior to the most recent maintenance fee billing, have **average annual global gross revenue from all sources (includes pesticide and non-pesticide revenue)** that did not exceed \$10 million; and hold not more than 5 Section 3 and Section 24(c) pesticide registrations combined. The following items are required to allow Agency staff to evaluate your eligibility for the 25% waiver:

- Documentation of payroll information such as a recent IRS Form 941 or a statement certifying the total number of individuals employed by the applicant;
- Documentation of the 3-year average annual global gross revenue for the 3-year period prior to this maintenance fee billing (2016, 2017 and 2018) from all sources which may include the **first page** of IRS Forms 1065, 1120, or 1120S, as applicable, or audited financial statements. Please note that financial information must include all data from the company listed on the form and any affiliates.

## **REGISTRATIONS NOT SUBJECT TO THE MAINTENANCE FEE**

The maintenance fee requirement does not apply to supplemental registrations of distributors which are identified by a three-element registration number in which your EPA company number is the third element. No supplemental registrations are included on your product listing.

## **FIRMS WITH MORE THAN ONE EPA COMPANY NUMBER**

If your firm holds registrations under more than one EPA company number, you will receive a separate mailing of each account. It may be to your advantage to combine your maintenance fee filings for all subdivisions of your firm and discard the other filing forms you received. On this single form for your combined return please be sure to (a) list in block B all the EPA company numbers covered by the combined return, (b) report in block C only the combined totals for all company numbers included in the return, and (c) append to the form you send to EPA the annotated printouts for all the company numbers included in the return.

## **FEE PAYMENT FOR THIRD-PARTY REGISTRATIONS**

If you wish to pay the maintenance fee for a registration held by another firm or third party, please send an email to Mick Yanchulis at [yanchulis.michael@epa.gov](mailto:yanchulis.michael@epa.gov) or call (703) 347-0237 for special instructions.

## **EPA'S FEDERAL TAX IDENTIFICATION NUMBER**

In case you need it for your internal records of fee payments, the Environmental Protection Agency's Federal Tax Identification Number is 52-085-2695.

## **ASSISTANCE**

If you have questions about entries on the computer printout or about how to respond to the maintenance fee requirement, you can get assistance by sending an email to Mick Yanchulis at [yanchulis.michael@epa.gov](mailto:yanchulis.michael@epa.gov) or calling (703) 347-0237.

## **STEP-BY STEP INSTRUCTIONS**

- 1. Check the enclosed computer printout** carefully against your own records and confirm the accuracy of the information. The printout may include some errors, it may include some entries for which you've already requested cancellation, or it may omit some registrations you think are active. Please call any such errors or omissions to our attention when you file your response. Handle any errors or omissions as described below. Contact Mick Yanchulis (see above) if you're not sure.

- a. **Errors in Product Name:** Correct misspellings or other errors in the product name directly on the printout.
  - b. **Previously Canceled Registrations:** If the printout includes registrations you think have already been canceled, circle the keyword "CAN" beside the registration number, and we'll correct the entry in our records. Note that paying the fee will not reactivate a registration which has already been canceled.
  - c. **Pending Cancellations:** If the printout includes registrations you have already asked us to cancel, circle the keyword "CAN" beside the registration number.
  - d. **Suspended Registrations:** You must pay the fee to maintain a registration which has been suspended. Circle the keyword "PAY" beside the registration number. Payment of the fee for a suspended registration does not lift the suspension, but non-payment will result in its cancellation.
  - e. **Transferred Registrations:** If the printout includes registrations for which EPA has already approved in writing a transfer to another registrant, circle the keyword "TRN" beside the registration number, and identify the registrant who received the transfer in the blank to the right of the product name. Please mark this response **ONLY** for transfers EPA has already approved. If you aren't sure whether a transfer has been approved by EPA, contact Mick Yanchulis for help.
  - f. **Registrations included in error:** If the printout includes entries which are not your registrations, circle the keyword "ERR" beside the registration number.
  - g. **Omitted Registrations:** If you think an active registration for which you wish to pay the fee has been omitted from the printout, identify it by registration number and product name (or by 24(c) number and description) on a separate sheet of paper, and include that supplemental list with your response.
2. **Decide which registrations to support, and which to cancel.** When you've identified and corrected any discrepancies between the printout and your own records, you must decide which registrations to support by paying the maintenance fee, and which to cancel. This choice is entirely up to you.
  3. **Report your decisions** by annotating the printout. Make sure to circle one of the five keywords beside the registration number for each entry. Circle "PAY" if you decide to support the registration by paying the fee. Circle "WAIV" if you are requesting a minor agricultural use or public health pesticide waiver. Circle "CAN" if you decide not to pay the fee and want EPA to cancel the registration.

When you reach the bottom of each page of the printout, count the number of times you've circled each keyword on that page, and write the counts for that page at the bottom of the keyword columns. Continue through any additional pages of the printout. Please double check to ensure that you have circled one keyword for every line on the printout.

#### 4. Complete the Maintenance Fee Filing Form.

##### Section A. Registrant Identification

The EPA company number, registrant name, agent of record (if any) and address of record will all appear on a special label on the form. Type or print legibly any corrections to this information to the right of the label.

##### Section B. Company Numbers

Leave this area blank unless your firm holds registrations under more than one EPA company number and you are filing a combined return for more than one account on a single form. If this is the case enter here all EPA-assigned company numbers covered by this return, and be sure to include all annotated printouts with your response to EPA in Washington, D.C.

##### Section C. Maintenance Fee Determination

**Line 1.** Enter the total number of registrations on all attached printouts for which you circled the keyword "PAY".

**Line 2.** Enter the total number of registrations on all attached printouts for which you circled the keyword "TRN".

**Line 3.** Enter the total number of registrations on all attached printouts for which you circled the keyword "CAN".

**Line 4.** Enter the total number of registrations on all attached printouts for which you circled the keyword "ERR" or "WAIV".

**Line 5.** Enter the total number of registrations omitted from the printouts which you've listed separately as additions, and which you will support by paying the fee.

**Line 6.** Enter the sum of lines 1 and 5. This is the total number of registrations you will support by paying the fee.

**Line 7.** Enter the fee due. Determine which Fee Table to use.

##### **TABLE A:**

If you do not meet the qualifications for a Small Business or a Qualified Small Business as described below, use **Fee Table A** on page 10 of these instructions.

##### **TABLE B:**

A Small Business registrant employed 500 or fewer people and during the 3-year period prior to this maintenance fee billing (2016, 2017 and 2018), had average annual global gross revenue **from pesticide sales** that did not exceed \$60 million.

If you qualify, write “Small Business” in the space to the right of line 7 and **provide documentation** of the number of employees (documentation may, in part, include payroll information and a recent IRS Form 941, together with a statement certifying the total number of individuals employed by the applicant) and the 3-year average annual global gross revenue from pesticide sales (documentation may include the **first page** of income tax returns filed with the Internal Revenue Service which includes gross receipts or sales, such as IRS Forms 1065, 1120, or 1120S, as applicable, the applicant’s most recent IRS 941, and audited financial statements). A Small Business shall use **Fee Table B** on page 10 of these instructions.

**TABLE C:**

A Qualified Small Business registrant employed 500 or fewer people and during the 3-year period prior to this maintenance fee billing (2016, 2017 and 2018), had **average annual global gross revenue from all sources (includes pesticide and non-pesticide revenue)** that did not exceed \$10 million, and hold not more than five (5) Section 3 and Section 24(c) pesticide registrations combined. If you qualify, write “Qualified Small Business” in the space to the right of line 7 **and provide documentation** of the number of employees (documentation may, in part, include payroll information and a recent IRS Form 941, together with a statement certifying the total number of individuals employed by the applicant) and the 3-year average annual global gross revenue from all sources, pesticide and non-pesticide (documentation may include the **first page** of income tax returns filed with the Internal Revenue Service which includes gross receipts or sales, such as IRS Forms 1065, 1120, or 1120S, as applicable, the applicant’s most recent IRS 941, and audited financial statements). A Qualified Small Business shall use **Fee Table C** on page 10 of these instructions.

Using the appropriate Fee Table, either Table A, Table B or Table C, determine the fee due by looking up the number you've entered on line 6--the number of registrations you will support--in the appropriate Fee Table at the end of these instructions, and enter the fee amount from the table in line 7. This is the amount due by January 15, 2020. If the number on line 6 is zero, enter a zero on line 7 as well.

**Line 8.** Enter Pay.gov 8-digit Tracking ID or EFT for an electronic transfer with the date of the transfer. **Please note that checks, bank drafts and money orders are no longer an acceptable form of payment.**

**Section D. Authorized Company Representative**

- Type or print the name, title, telephone number, and **email address** of the person signing the filing form. Sign it and date it. Please include an email address on the form as we hope to move to an electronic platform in the few years.

**5. Pay the Fee**

Checks, bank drafts and money orders are no longer an acceptable form of payment.

**Pay Maintenance Fees On-Line**

Maintenance fees may be paid on-line via credit card or electronic fund transfer. To make a payment on-line, visit [www.pay.gov](http://www.pay.gov). At the top of the page, click on “Find an Agency” which will bring up a list of all Agencies in alphabetical order. Click on E and then look for Environmental Protection Agency (EPA): Office of Pesticide Programs and click on it. It should be the 8th item in the E category. You will then have 3 selections. The last one should be Pesticide Registration Maintenance Fee, Form Number 8570-30. Click on Continue beneath the form number and complete the form. The maximum amount that may be charged to a credit card is \$24,999. This limit is both a transaction and daily limit. There is no limit on the amount that may be paid via electronic fund transfer (Bank Account – ACH). Please note the following instructions if making a Pay.gov ACH payment:

Automatic debits to your business account may be blocked by the bank. This security feature is called an ACH Debit Block, ACH Positive Pay, or ACH Fraud Prevention Filters. ACH Debit Block works by having an allowed list of ACH Company IDs. The list enables allowable automatic debits. If the ACH Company ID accompanying a request for an automatic debit is not on the allowed list, the payment is rejected. It is returned with and ACH Return Reason Code of R29 -- Corporate Customer Advises Not Authorized. You must contact your bank to add the US Government agency you need to pay to your list. The ACH company ID (or ALC + 2) for the pesticide maintenance fee account are:

<u>ID</u>	<u>Name</u>
6801009902	EPAOPPTS
6801009909	EPAOPPTS

Payments also may be made via the Credit Gateway ACH Payment and Fedwire (international). These payments are direct payments from the customer bank to Federal Reserve Bank. Templates can be found at the end of these instructions. Please contact Mick Yanchulis by either sending an email to [yanchulis.michael@epa.gov](mailto:yanchulis.michael@epa.gov) or calling (703) 347-0237.

**6. Mail your return.** Attach all pages of the annotated printout and any supplemental listings of omitted registrations, the original copy of the filing form and the receipt from your on-line payment and send to one of the two addresses below based method of shipment:

Via U.S. Mail including Express Mail  
U.S. Environmental Protection Agency  
Office of Pesticide Programs (7504P)  
Document Processing Desk (MFEE)  
1200 Pennsylvania Ave., NW  
Washington, DC 20460-0001

Via Private courier (Fed Ex, UPS, etc.)  
U.S. Environmental Protection Agency  
Office of Pesticide Programs (7504P)  
Document Processing Desk (MFEE)  
Room S-4900  
2777 South Crystal Drive  
Arlington, VA 22202

## FINAL CHECKLIST

Before mailing your response, make sure you:

- Circle one of the four keywords on every numbered line in the printout.
- List by registration number and product name any registrations omitted from the printout that are active registrations for which you are paying the fee.
- Sign and date the filing form and include in Section D the name, **email address** and telephone number of someone who will be able to answer questions about your response. Please include an email address on the form as we hope to move to an electronic platform in the next few years.
- Include a copy of the receipt from your on-line payment. Please note that checks, bank drafts and money orders are no longer an acceptable form of payment for the pesticide maintenance fee. Also, the daily and transaction limits for credit card payments via Pay.gov is \$24,999.
- Make a copy of the filing form, product list and payment information. Please send the original copy to EPA and retain the copy for your files.
- If you are a Small Business or a Qualified Small Business, please include documentation of the number of employees. Documentation may, in part, include payroll information and a recent IRS Form 941, together with a statement certifying the total number of individuals employed by the applicant and the 3-year average sales. This documentation may include the first page of income tax returns filed with the Internal Revenue Service which includes gross receipts or sales, such as IRS Forms 1065, 1120, or 1120S, as applicable for 2016, 2017 and 2018, the applicant's most recent IRS 941, and audited financial statements.
- Keep one copy of the filing form for your records.
- Attach all pages of the annotated printout(s) to one copy of the filing form and mail it to Washington, DC or send it by courier (Fed Ex, UPS, DHL, etc.) to Arlington, VA.

## REMINDERS

- Maintenance fee responses must be **postmarked by Wednesday, January 15, 2020.**
- EPA Federal Tax Identification Number: 52-085-2695.
- Email address for assistance: [yanchulis.michael@epa.gov](mailto:yanchulis.michael@epa.gov)
- Telephone number for assistance: (703) 347-0237

## 2020 Pesticide Registration Maintenance Fee Tables

### Fee Table A

#### Fee Payments Required to Maintain Registrations in 2020

# Regs	Fee (\$)	# Regs	Fee (\$)	# Regs	Fee (\$)	# Regs	Fee (\$)
1	\$4,000	15	\$60,000	29	\$116,000	60	\$169,400
2	\$8,000	16	\$64,000	30	\$120,000	61	\$173,400
3	\$12,000	17	\$68,000	31	\$124,000	62	\$177,400
4	\$16,000	18	\$72,000	32	\$128,000	63	\$181,400
5	\$20,000	19	\$76,000	33– 50	\$129,400	64	\$185,400
6	\$24,000	20	\$80,000	51	\$133,400	65	\$189,400
7	\$28,000	21	\$84,000	52	\$137,400	66	\$193,400
8	\$32,000	22	\$90,000	53	\$141,400	67	\$197,400
9	\$36,000	23	\$92,000	54	\$145,400	68	\$201,400
10	\$40,000	24	\$96,000	55	\$149,400	69	\$205,400
11	\$44,000	25	\$100,000	56	\$153,400	70 +	\$207,000
12	\$48,000	26	\$104,000	57	\$157,400		
13	\$52,000	27	\$108,000	58	\$161,400		
14	\$56,000	28	\$112,000	59	\$165,400		

### Fee Table B

#### Fee Payments Required to Maintain Registrations in 2020 for a Small Business

# Regs	Fee (\$)	# Regs	Fee (\$)	# Regs	Fee (\$)	# Regs	Fee (\$)
1	\$4,000	11	\$44,000	51	\$83,100	61	\$123,100
2	\$8,000	12	\$48,000	52	\$87,100	62	\$127,100
3	\$12,000	13	\$52,000	53	\$91,100	63	\$131,100
4	\$16,000	14	\$56,000	54	\$95,100	64	\$135,100
5	\$20,000	15	\$60,000	55	\$99,100	65 +	\$136,800
6	\$24,000	16	\$64,000	56	\$103,100		
7	\$28,000	17	\$68,000	57	\$107,100		
8	\$32,000	18	\$72,000	58	\$111,100		
9	\$36,000	19	\$76,000	59	\$115,100		
10	\$40,000	20 – 50	\$79,100	60	\$119,100		

**Note: Use this table only if you qualify as a small business as defined in FIFRA Section 4(i)(5). Documentation is required to use Fee Table B. See page 6 of these instructions.**

### Fee Table C

#### Fee Payments Required to Maintain Registrations in 2020 for a Qualified Small Business

# Regs	Fee (\$)
1	\$3,000
2	\$7,000
3	\$11,000
4	\$15,000
5	\$19,000

**Note: Documentation of a company's 3-year average annual global gross revenue and payroll information is required to use Fee Table C. See pages 3, 6 and 7 of these instructions.**
