PAPERWORK REDUCTION ACT STATEMENT
We are collecting this information subject to the Paperwork Reductions Act (44 U.S.C. 3501 et. seq.) as part of the process for reviewing the procedures and programs of State, Tribal, and local governments participating in the National Historic Preservation program and the Historic Preservation Fund grant program. We use the information to evaluate those programs and procedures for consistency with the National Historic Preservation Act, as amended (54 U.S.C. 3001 et. seq.) and compliance with government wide grant requirements. We provide no assurance of confidentiality with the exception of some location information concerning some properties included in government historic preservation property inventories. Pursuant to Section 304 of the National Historic Preservation Act (54 U.S.C. 307103), release of information is tightly controlled as such release could have the potential of damaging those qualities that make a property historic. All applicable parts of the form must be completed in order to receive consideration for the requested benefit. A Federal agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Project Activity Database Carryover Statement
Fiscal Year 2015

Item	Amount (Federal Share)
Cost Incurred First Fiscal Year	$550,000.00
Committed Subgrants/Contracts Unexpended Balance to be Carried Over	$78,181.13
Uncommitted Carryover	$271,818.90
TOTAL (Should equal grant amount)	$900,000.00

The Total dollar amount awarded in Fiscal Year 2015 (just completed fiscal year) to be carried over into Fiscal Year 2016 (current fiscal year) that is not committed to subgrants and contracts is $271,818.90 (30.20 %)

As demonstrated by the attached Carryover Funds Table, this amount exceeds 25% of the amount apportioned by NPS by $46,818.88. I am seeking a waiver for this amount to carry these funds over into the next Federal Fiscal Year for the reasons attached.
