Subject: 2021 FRLC: Thank You & Survey Request
Date: Tuesday, July 13, 2021 3:17:59 PM

Dear 2021 Future Research Leaders (FRLs),

NIH's Chief Officer for Scientific Workforce Diversity (COSWD) Office and the Intramural Research Program (IRP) are pleased that you participated in the Virtual 2021 Future Research Leaders Conference (FRLC). We would like to **extend our thanks** to you for **your commitments to science** and **inclusive excellence**. We are committed to continuing to support you and improving the FRLC program.

We have therefore created a **short feedback survey** with the purposes of understanding your FRLC experience, how we can further support you, and how we can enhance the program in the future.

We would greatly value your taking this opportunity to provide your views on the FRLC. Your perspectives are critical for us to best support your needs in pursuing NIH opportunities, as well as those of future FRLs.

The survey will take only about 10 minutes, depending on how many comments you wish to make. Your responses will not be associated with your name and no other identifying information is requested.

Please submit your survey responses by [**date, one week from request**]. If you have any questions about the survey, please contact Christy Ley, at christy.ley@nih.gov.

- **Please click the following link to access the 2021 FRLC Feedback Survey: [survey link]**

On behalf of the COSWD and IRP, thank you for taking the time to share your views and experience.

Best regards,
Charlene

Charlene E. Le Fauve, Ph.D.
