SSA will insert the following revised Privacy Act Statement into the form as soon as possible:

Privacy Act Statement
Collection and Use of Personal Information

Sections 205(c), 209(a), and 232 of the Social Security Act, as amended, allow us to collect this information, which we will use to verify wage information previously received and properly credit the employee for the correct amount of wages earned. Providing the information is voluntary, but not providing all or part of the information may prevent us from giving the employee credit for the correct amount of wages. As law permits, we may use and share the information you submit, including with other Federal agencies, contractors, and others, as outlined in the routine uses within System of Records Notice 60-0059, available at www.ssa.gov/privacy. The information you submit may also be used in computer matching programs for Federal benefits eligibility or to recoup debts under these programs.
