### CALCULATION OF REGISTRATION FEE

| Title of each class of securities to be registered | Amount to be registered | Proposed maximum offering price per unit | Proposed maximum aggregate offering price | Amount of registration fee |
|--|-------------------------|--|---|----------------------------|
|--|-------------------------|--|---|----------------------------|

**Notes to the “Calculation of Registration Fee” Table (“Fee Table”):**

1. Specific details relating to the fee calculation shall be furnished in notes to the Fee Table, including references to provisions of Rule 457 (§230.457 of this chapter) relied upon, if the basis of the calculation is not otherwise evident from the information presented in the Fee Table.
2. If the filing fee is calculated pursuant to Rule 457(o) under the Securities Act, only the title of the class of securities to be registered, the proposed maximum aggregate offering price for that class of securities, and the amount of registration fee need to appear in the Fee Table. Where two or more classes of securities are being registered pursuant to General Instruction II.D., however, the Fee Table need only specify the maximum aggregate offering price for all classes; the Fee Table need not specify by each class the proposed maximum aggregate offering price (see General Instruction II.D.).
3. If the filing fee is calculated pursuant to Rule 457(r) under the Securities Act, the Fee Table must state that it registers an unspecified amount of securities of each identified class of securities and must provide that the issuer is relying on Rule 456(b) and Rule 457(r). If the Fee Table is amended in a post-effective amendment to the registration statement or in a prospectus filed in accordance with Rule 456(b)(1)(ii) (§230.456(b)(1)(ii) of this chapter), the Fee Table must specify the aggregate offering price for all classes of securities in the referenced offering or offerings and the applicable registration fee.
4. Any difference between the dollar amount of securities registered for such offerings and the dollar amount of securities sold may be carried forward on a future registration statement pursuant to Rule 457 under the Securities Act.

### GENERAL INSTRUCTIONS

**I. Eligibility Requirements for Use of Form S-3**

This instruction sets forth registrant requirements and transaction requirements for the use of Form S-3. Any registrant which meets the requirements of I.A. below (“Registrant Requirements”) may use this Form for the registration of securities under the Securities Act of 1933 (“Securities Act”) which are offered in any transaction specified in I.B. below (“Transaction Requirement”) provided that the requirement applicable to the specified transaction are met. - (c) the registrant has at least one class of common equity securities listed and registered on a national securities exchange.

### **Instructions.**

1. “Common equity” is as defined in Securities Act Rule 405 (§230.405 of this chapter). For purposes of computing the aggregate market value of the registrant’s outstanding voting and non-voting common equity pursuant to General Instruction I.B.6., registrants shall use the price at which the common equity was last sold, or the average of the bid and asked prices of such common equity, in the principal market for such common equity as of a date within 60 days prior to the date of sale. See the definition of “affiliate” in Securities Act Rule 405 (§230.405 of this chapter).

2. For purposes of computing the aggregate market value of all securities sold by or on behalf of the registrant in offerings pursuant to General Instruction I.B.6. during any period of 12 calendar months, registrants shall aggregate the gross proceeds of such sales; provided, that, in the case of derivative securities convertible into or exercisable for shares of the registrant’s common equity, registrants shall calculate the aggregate market value of any underlying equity shares in lieu of the market value of the derivative securities. The aggregate market value of the underlying equity shall be calculated by multiplying the maximum number of common equity shares into which the derivative securities are convertible or for which they are exercisable as of a date within 60 days prior to the date of sale, by the same per share market price of the registrant’s equity used for purposes of calculating the aggregate market value of the registrant’s outstanding voting and non-voting common equity pursuant to Instruction 1 to General Instruction I.B.6. If the derivative securities have been converted or exercised, the aggregate market value of the underlying equity shall be calculated by multiplying the actual number of shares into which the securities were converted or received upon exercise, by the market price of such shares on the date of conversion or exercise.

3. If the aggregate market value of the registrant’s outstanding voting and nonvoting common equity computed pursuant to General Instruction I.B.6. equals or exceeds \$75 million subsequent to the effective date of this registration statement, then the one third limitation on sales specified in General Instruction I.B.6(a) shall not apply to additional sales made pursuant to this registration statement on or subsequent to such date and instead the registration statement shall be considered filed pursuant to General Instruction I.B.1.

4. The term “Form 10 information” means the information that is required by Form 10 or Form 20-F (§249.210 or §249.220f of this chapter), as applicable to the registrant, to register under the Securities Exchange Act of 1934 each class of securities being registered using this form. A registrant may provide the Form 10 information in another Commission filing with respect to the registrant.

5. The date used in Instruction 2 to General Instruction I.B.6. shall be the same date used in Instruction 1 to General Instruction I.B.6.

6. A registrant’s eligibility to register a primary offering on Form S-3 pursuant to General Instruction I.B.6. does not mean that the registrant meets the requirements of Form S-3 for purposes of any other rule or regulation of the Commission apart from Rule 415(a)(1)(x) (§230.415(a)(1)(x) of this chapter).

7. Registrants must set forth on the outside front cover of the prospectus the calculation of the aggregate market value of the registrant’s outstanding voting and nonvoting common equity pursuant to General Instruction I.B.6. and the amount of all securities offered pursuant to General Instruction I.B.6. during the prior 12 calendar month period that ends on, and includes, the date of the prospectus.

8. For purposes of General Instruction I.B.6(c), a “national securities exchange” shall mean an exchange registered as such under Section 6(a) of the Securities Exchange Act of 1934.

**C. Majority-owned Subsidiaries.** If a registrant is a majority-owned subsidiary, security offerings may be registered on this Form if:

1. the registrant-subsi-dary itself meets the Registrant Requirements and the applicable Transaction Requirement;
2. the parent of the registrant-subsi-dary meets the Registrant Requirements and the conditions of Transaction Requirements B.2. (Primary Offerings of Non-Convertible Securities Other than Common Equity) are met;
3. the parent of the registrant-subsi-dary meets the Registrant Requirements and the applicable Transaction Requirement, and provides a full and unconditional guarantee, as defined in Rule 3-10 of Regulation S-X (§210.3-10 of this chapter), of the payment obligations on the securities being registered, and the securities being registered are non-convertible securities, other than common equity;
4. the parent of the registrant-subsi-dary meets the Registrant Requirements and the applicable Transaction Requirement, and the securities of the registrant subsidiary being registered are full and unconditional guarantees, as defined in Rule 3-10 of Regulation S-X, of the payment obligations on the parent's non-convertible securities, other than common equity, being registered; or
5. the parent of the registrant-subsi-dary meets the Registrant Requirements and the applicable Transaction Requirement, and the securities of the registrant subsidiary being registered are guarantees of the payment obligations on the non-convertible securities, other than common equity, being registered by another majority-owned subsidiary of the parent where the parent provides a full and unconditional guarantee, as defined in Rule 3-10 of Regulation S-X, of such non-convertible securities.

**Note to General Instruction I.C.:** With regard to paragraphs I.C.3, I.C.4, and I.C.5 above, the guarantor is the issuer of a separate security consisting of the guarantee, which must be concurrently registered, but may be registered on the same registration statement as are the non-convertible guaranteed securities.

**D. Automatic shelf offerings by well-known seasoned issuers.** Any registrant that is a well-known seasoned issuer as defined in Rule 405 (§230.405 of this chapter) at the most recent eligibility determination date specified in paragraph (2) of that definition may use this Form for registration under the Securities Act of securities offerings, other than pursuant to Rule 415(a)(1)(vii) or (viii) (§230.415(a)(1)(vii) or (viii) of this chapter), as follows:

(b) Non-convertible securities, other than common equity, to be offered pursuant to Rule 415, Rule 430A, or Rule 430B by a registrant that is a well-known seasoned issuer only by reason of paragraph (1)(i)(B) of the definition in Rule 405 and does not fall within Transaction Requirement I.B.1 of this Form;

(c) Securities of majority-owned subsidiaries of the parent registrant to be offered pursuant to Rule 415, Rule 430A, or Rule 430B if the parent registrant is a well known seasoned issuer and the securities of the majority-owned subsidiary being registered meet the following requirements:

(i) Securities of a majority-owned subsidiary that is a well-known seasoned issuer at the time it becomes a registrant, other than by virtue of paragraph (1)(ii) of the definition of well-known seasoned issuer in Rule 405;

## II. Application of General Rules and Regulations

- A. Attention is directed to the General Rules and Regulations under the Securities Act, particularly Regulation C thereunder (17 CFR 230.400 to 230.494). That Regulation contains general requirements regarding the preparation and filing of registration statements.
- B. Attention is directed to Regulation S-K (17 CFR Part 229) for the requirements applicable to the content of the non-financial statement portions of registration statements under the Securities Act. Where this Form directs the registrant to furnish information required by Regulation S-K and the item of Regulation S-K so provides, information need only be furnished to the extent appropriate. Notwithstanding Items 501 and 502 of Regulation S-K, no table of contents is required to be included in the prospectus or registration statement prepared on this Form. In addition to the information expressly required to be included in a registration statement on this Form S-3, registrants also may provide such other information as they deem appropriate.
- C. A smaller reporting company, defined in Rule 405 (17 CFR 230.405), that is eligible to use Form S-3 shall use the disclosure items in Regulation S-K (17 CFR 229.10 *et seq.*) with specific attention to the scaled disclosure provided for smaller reporting companies, if any. Smaller reporting companies may provide the financial information called for by Article 8 of Regulation S-X in lieu of the financial information called for by Item 11 in this form.
- D. Non-Automatic Shelf Registration Statements. Where two or more classes of securities being registered on this Form pursuant to General Instruction I.B.1. or I.B.2. are to be offered pursuant to Rule 415(a)(1)(x) (§230.415(a)(1)(x) of this chapter), and where this Form is not an automatic shelf registration statement, Rule 457(o) permits the registration fee to be calculated on the basis of the maximum offering price of all the securities listed in the Fee Table. In this event, while the Fee Table would list each of the classes of securities being registered and the aggregate proceeds to be raised, the Fee Table need not specify by each class information as to the amount to be

registered, proposed maximum offering price per unit, and proposed maximum aggregate offering price.

**E. Automatic Shelf Registration Statements.** Where securities are being registered on this Form pursuant to General Instruction I.D., Rule 456(b) permits, but does not require, the registrant to pay the registration fee on a pay-as-you-go basis and Rule 457(r) permits, but does not require, the registration fee to be calculated on the basis of the aggregate offering price of the securities to be offered in an offering or offerings off the registration statement. If a registrant elects to pay all or a portion of the registration fee on a deferred basis, the Fee Table in the initial filing must identify the classes of securities being registered and provide that the registrant elects to rely on Rule 456(b) and Rule 457(r), but the Fee Table does not need to specify any other information. When the registrant amends the Fee Table in accordance with Rule 456(b)(1)(ii), the amended Fee Table must include either the dollar amount of securities being registered if paid in advance of or in connection with an offering or offerings or the aggregate offering price for all classes of securities referenced in the offerings and the applicable registration fee.

**F. Information in Automatic and Non-Automatic Shelf Registration Statements.** Where securities are being registered on this Form pursuant to General Instruction I.B.1, I.B.2, I.C., or I.D., information is only required to be furnished as of the date of initial effectiveness of the registration statement to the extent required by Rule 430A or Rule 430B. Required information about a specific transaction must be included in the prospectus in the registration statement by means of a prospectus that is deemed to be part of and included in the registration statement pursuant to Rule 430A or Rule 430B, a post-effective amendment to the registration statement, or a periodic or current report under the Exchange Act incorporated by reference into the registration statement and the prospectus and identified in a prospectus filed, as required by Rule 430B, pursuant to Rule 424(b) (§230.424(b) of this chapter).

**G. Selling Security Holder Offerings.** Where a registrant eligible to register primary offerings on this Form pursuant to General Instruction I.B.1 registers securities offerings on this Form pursuant to General Instruction I.B.1 or I.B.3 for the account of persons other than the registrant, if the offering of the securities, or securities convertible into such securities, that are being registered on behalf of the selling security holders was completed and the securities, or securities convertible into such securities, were issued and outstanding prior to the original date of filing the registration statement covering the resale of the securities, the registrant may, as permitted by Rule 430B(b), in lieu of identifying selling security holders prior to effectiveness of the resale registration statement, refer to unnamed selling security holders in a generic manner by identifying the initial transaction in which the securities were sold. Following effectiveness, the registrant must include in a prospectus filed pursuant to Rule 424(b)(7), a post-effective amendment to the registration statement, or an Exchange Act report incorporated by reference into the prospectus that is part of the registration statement (which Exchange Act report is identified in a prospectus filed, as required by Rule 430B, pursuant to Rule 424(b)(7)) the names of previously unidentified selling security holders and amounts of securities that they intend to sell. If this Form is being filed pursuant to General Instruction I.D. by a well-known seasoned issuer to register securities being offered for the account of persons other than the issuer, the registration statement and the prospectus included in the registration statement do not need to designate the securities that will be offered for the account of such persons, identify them, or identify the initial transaction in which the securities, or securities convertible into such securities, were sold until the registrant files a post-effective amendment to the registration statement, a prospectus pursuant to Rule 424(b), or an Exchange Act report (and prospectus filed, as required by Rule 430B, pursuant to Rule 424(b)(7)) containing information for the offering on behalf of such persons.
