Early Filing

If you are applying based on lawful permanent residence for 5 years, you may generally file your application up to 90 days before meeting the required 5-year period of continuous residence as a lawful permanent resident. If you are applying based on your marriage to a U.S. citizen, you may generally file up to 90 days before meeting the required 3-year period of continuous residence as a lawful permanent resident.

However, applicants filing up to 90 days before meeting the continuous residence requirement must still meet all other requirements for naturalization at the time of filing Form N-400. If these requirements are not met at the 90-day period, the applicant must wait to file until the requirement is met, otherwise, the application will be rejected or denied. For example:

- If you are applying under Immigration and Nationality Act (INA) section 319(a) as the spouse of a U.S. citizen, you must have been married to a U.S. citizen for at least 3 years at the time you file Form N-400; or
- If you request an exception to the English testing requirements, you must meet the requirements for the exception (age and years as a lawful permanent resident) when you file Form N-400.

Use the USCIS Early Filing Calculator to ensure that you file your Form N-400 no earlier than 90 days before you complete the required period.

Note: We will reject your application if you submit it too early.

Fee

We will automatically calculate the cost for you before you submit your request. For specific information about fees applicable to this form, see Form G-1055.

Note: Current and former members of the U.S. armed forces filing under INA section 328 or 329 are not required to pay the filing fee or the biometric services fee.

Fee reduction: If you are requesting a fee reduction, you cannot file online. You must file a paper version of Form N-400, Application for Naturalization.

Fee waiver: If you are requesting a fee waiver, you cannot file online. You must file a paper version of both the Form I-912, Request for Fee Waiver, and Form N-400, Application for Naturalization. You can review the fee waiver guidance at www.uscis.gov/feewaiver.

Refund policy: USCIS does not refund fees, regardless of any action we take on your application, petition or request, or how long USCIS takes to reach a decision. By continuing this transaction, you acknowledge that you must submit fees in the exact amount and that you are paying the fees for a government service.
Please refer to the instructions for the form(s) you are filing for additional information or you may call the USCIS Contact Center at 800-375-5283. For TTY (deaf or hard of hearing) 800-767-1833.

Filing online

Submitting your application online is the same as mailing in a completed paper form. They both gather the same information and cost the same.

Documents you may need

We will automatically determine which documents you need to provide us as you fill out your application. At the time of filing, you must submit all evidence and supporting documentation listed.

The other documents you need will depend on the information you provide in the application, such as your personal history, family, and circumstances.

Biometric services appointment

USCIS may require you to appear for an interview and provide biometrics (fingerprints, photograph, and/or signature) at any time to verify your identity, obtain additional information, and conduct background and security checks, including a check of criminal history records maintained by the Federal Bureau of Investigation (FBI), before making a decision on your application or petition. If we determine that a biometric services appointment is necessary, we will send you an appointment notice with the date, time, and location of your appointment. If you are currently overseas, your notice will instruct you to contact a U.S. Embassy, U.S. Consulate, or USCIS office outside the United States to set up an appointment.

At your biometrics appointment, you must sign an oath reaffirming that:

- You provided or authorized all information in the application;
- You reviewed and understood all of the information contained in, and submitted with, the application; and
- All of this information was complete, true, and correct at the time of filing.

If you do not attend your biometric services appointment, we may deny your application.

After You Submit Your Application

Track your case online

After you submit your form, you can track its status through your USCIS account. Sign into your account often to check your case status and read any important messages from USCIS.

Respond to requests for information

If we need more information from you, we will send you a Request for Evidence (RFE) or a Request for Information (RFI). You can respond to our request and upload your documents through your USCIS account.

Provide your biometrics

We will contact you to schedule an appointment at an Application Support Center near you. At the appointment, we will get your fingerprints, photograph, and signature.

Attend the interview

After your biometrics appointment, we will schedule your interview at a local USCIS field office (unless you qualify for a special accommodation). At the interview, you will answer questions about your application and take the civics and English tests as required.

Take the Oath of Allegiance

Once your application is approved, you will be ready to take the Oath of Allegiance. At your naturalization ceremony, you will return your Permanent Resident Card (Green Card), answer questions about your activity since the interview, take the Oath of Allegiance, and get your Certificate of Naturalization.

You may need to provide a status information letter from the Selective Service

Since you indicated you are 26 years old or older, but you did not register with the Selective Service System, you should provide a status information letter from the Selective Service with your application.

Download the Selective Service status information letter here.

You can upload your letter as evidence or bring it with you to your naturalization interview.

Note: If you are 31 years of age or older (or 29 years of age or older if you are applying based on being the spouse of a U.S. citizen) at the time you file your Form N-400, you do not need to provide a status information letter from the Selective Service.

Why did you not register with the Selective Service?

If you are now at least 26, but under 31 years of age (or at least 26, but under 29 years of age if you are applying based on being the spouse of a U.S. citizen), you must explain why you did not register.

Provide an explanation.
