Your response is important and appreciated!

The USDA National Agricultural Statistics Service (NASS) recently contacted you for the Conservation Effects Assessment Program.

If you have already responded, thank you! If not, there is still time. A local enumerator will be in touch soon to collect data.

The information you provide will be used for statistical purposes only. In accordance with federal law, your responses will be kept confidential and will not be disclosed in identifiable form. The results will be posted on our Publications page.

Thank you for your participation and your support of our programs and U.S. agriculture. If you have any questions or need assistance completing your questionnaire, please call [REGION.PHONE].
