NOTE: Read these instructions very carefully, detach, and keep for your reference.

## Frequently Asked Questions

## How can I contact VA if I have a question?

If you have questions about this form, how to complete it, or about benefits, contact your nearest VA regional office. You can find the address of the nearest VA regional office on the Internet at <u>https://www.va.gov/directory</u>, or in your telephone book blue pages under "United States Government, Veterans." For information, you may also call the VA at 1-800-827-1000 (Hearing Impaired TDD line 711). You may also contact VA by the Internet at: <u>https://iris.custhelp.va.gov</u>

## When do I use VA Form 21P-527?

Use VA Form 21P-527 to apply for veterans pension if you *have* previously filed a claim for compensation and/or veterans pension. For expeditious processing under the Fully Developed Claim process use VA Form 21P-527EZ, *Application for Veterans Pension*. VA forms are available at <u>www.va.gov/vaforms</u>.

## What is veterans pension and how does VA decide what I will and will not receive?

You should apply for veterans pension benefits if *all* of the following are true:

- Your income and assets do not exceed certain limits. Visit our website at <u>www.benefits.va.gov/pension/rates.asp</u> for the maximum yearly income we allow.
- You are 65 or older or permanently and totally disabled. Your disabilities do not have to be related to your military service.
- You served on active duty with at least one day during a period of war. Visit our website at <u>www.benefits.va.gov/pension/vetpen.asp</u> for more specific information.

VA pays veterans pension based on income and asset amounts for the veteran and his/her dependents. VA must include all sources of income that Federal law specifies. You can find out what the current income limitations and rates of benefits are by contacting your nearest VA office.

You must provide information about the Social Security benefits you and your dependents receive. Report the gross amount you and your dependents receive monthly before deductions are taken out. If you have a copy of your most recent Social Security award letter, please include a copy of the letter with your application.

You must tell us if you or your dependents receive or received income from sources other than Social Security. Please also report if you or your dependents own your primary residence and the value of your assets and your dependents' assets. Your assets **do** include your spouse's assets. Although your assets **do** not include your child's assets, you must tell us if your child has significant assets.

**Assets** means the fair market value of all property that an individual owns, including all real and personal property (excluding the value of the primary residence including the residential lot area, not to exceed 2 acres) less the amount of mortgages or other encumbrances specific to the mortgaged or encumbered property. Personal property means the value of personal effects that are in excess of being suitable and consistent with a reasonable mode of life. You must tell us if you or your dependents have transferred assets in the past three calendar years.

**IMPORTANT:** If you or your dependents receive or received income in addition to Social Security benefits *or* you or your dependents have significant assets or have transferred assets, we will require you to complete VA Form 21P-0969, *Income and Asset Statement,* in addition to this application.

VA may pay benefits from the date of receipt of your application unless severe disability prevented you from filing a claim for a period of at least 30 days. If you want this claim considered for retroactive payment, indicate so in Item 36, "Remarks," and identify the specific disability which prevented you from filing.

## What is special monthly pension?

Special monthly pension is an increased amount paid to individuals who, due to mental or physical disability, require the aid of another person to perform activities of daily living, are a patient in a nursing home, have severe visual problems, or are substantially confined to his or her home. If you wish to apply for this benefit, check "Yes" in Item 22A.

#### **GENERAL INSTRUCTIONS** (Continued)

## What medical evidence should I submit?

If you are you are a veteran who is claiming pension and you are age 65 or older, or determined to be disabled by the Social Security Administration, you **DO NOT** have to submit medical evidence with your application unless you are claiming special monthly pension. Otherwise, provide only those medical records that are related to the disabilities that prevent you from working.

If you wish to claim special monthly pension and are not in a nursing home, please complete and attach with this application, VA Form 21-2680, *Exam for Housebound Status or Permanent Need for Regular Aid and Attendance*. Please make sure every box is complete and the application is signed by a physician, physician assistant (PA), certified nurse practitioner (CNP), or clinical nurse specialist (CNS). If you are a patient in a nursing home, please attach a completed VA Form 21-0779, *Request for Nursing Home Information in Connection with Claim for Aid and Attendance*, signed by an official of the nursing home showing the date you were admitted to the nursing home, the level of care you receive, and whether Medicaid covers all or part of your nursing home costs.

If you want help getting medical records related to this claim, you may complete VA Form 21-4142, Authorization and Consent to Release Information to the Department of Veterans Affairs (VA). By signing VA Form 21-4142, you authorize any doctors, hospitals, or caregivers that have treated you to release information about your treatment to VA. You do not need to complete this form for any treatment you received at a VA facility. If you need a copy of the VA Form 21-4142 or VA Form 21-0779, you may contact VA as shown on page 1 in "How can I contact VA if I have a question?" or download the forms from the VA web site www.va.gov/vaforms.
