Crosswalk of Proposed Changes to Prior Performance Measures
OMB Clearance Package

Public Burden Statement: The purpose of this information collection is to obtain performance data for the following: grantee monitoring, program planning, and performance reporting. In addition, these data will facilitate the ability to demonstrate alignment between MCHB discretionary programs and the MCH Title V Block Grant program to quantify outcomes across MCHB. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0298 and it is valid until XX/XX/20XX. Public reporting burden for this collection of information is estimated to average 1.80 hours per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Information Collection Clearance Officer, 5600 Fishers Lane, Room 13N82, Rockville, Maryland, 20857 or paperwork@hrsa.gov. Please see https://www.hrsa.gov/about/508-resources for the HRSA digital accessibility statement.

The following forms were revised with OMB approval of non-substantive changes dated March 25, 2026; ICR Reference Number 202603-0915-002. The non-substantive changes were needed to align terminology with E.O. 14151 Ending Radical and Wasteful Government DEI Programs and Preferencing and E.O. 14187 Protecting Children From Chemical and Surgical Mutilation. As such, these forms will only be reflected as requiring revision in the crosswalk below for this Renewal Package if they require additional revision since the March 25, 2026 non-substantive package approval.
