Survey

Baseline Survey/Agricultural Educators

All information collected in this survey is confidential and will be used for research purposes only. Data will be reported in the aggregate and no individual information will be disclosed.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this collection is #####. The time required to complete this information collection is estimated to average 10 minutes per response, including the time to review instructions, searching existing data resources, gather the data needed, and complete and review the information collected.

Invitation for baseline survey/Agriculture Educators

Thank you for registering for the FarmSelect Transition to Organic Course and taking full advantage of the series of tools you can use to track your progress, including the "Building Your Organic Farm Plan" feature.

Before you begin using the FarmSelect tools, we'd like to give you the opportunity to tell us a little more about yourself and your experiences with agricultural education.

As a thank you for taking the time to chat with us, you'll receive a \$10 gift certificate to spend however you'd like in our online bookstore. We'll keep your information confidential and will only use the answers you provide to improve our tools and service to you.

Thank you in advance for your time and effort.

The FarmSelect Team

If you experience any problems or difficulties accessing the survey or if you have any questions please contact us at:
helpdesk@farmselect.org or at (610) 683-1400.
