PUBLIC REPORTING BURDEN STATEMENT

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing the instructions, searching the existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing the burden, to William A. Karp, Director, Fisheries Monitoring and Analysis Division, NOAA National Marine Fisheries Service, 7600 Sand Point Way NE, Seattle, WA 98115.

ADDITIONAL INFORMATION

Before completing this form, please note the following: 1) Notwithstanding any other provision of law, no person is required to respond to, nor shall any person be subject to a penalty for failure to comply with, a collection of information subject to the requirements of the Paperwork Reduction Act, unless that collection of information displays a currently valid OMB Control Number; 2) This information is voluntary and will be used to improve observer training under section 403(b) of the Magnuson-Stevens Act (16 U.S.C. 1801, et seq.); 3) **All identifying data submitted will be handled as confidential material in accordance with NOAA Administrative Order 216-100, Protection of Confidential Fishery Statistics.** Other information collected on this form may be subject to public release under various statutes.
