Privacy Act Notice

The Social Security Administration is authorized to collect the information on this statement under 1611(c) of the Social Security Act and regulations 20 CFR 416.204. While it is not mandatory except in the circumstances explained below, for you to furnish the information on this statement to Social Security, no benefits can continue unless a periodic review of eligibility is completed by a Social Security office. Your response is mandatory where the refusal to disclose certain information affecting your right to payment would reflect a fraudulent intent to secure payments not authorized by the Social Security Act.

The information on this statement is needed to enable Social Security to determine if you continue to be eligible for supplemental security income (SSI) payments. Failure to provide all or part of the information could prevent an accurate and timely decision on your continuing eligibility for benefits.

Although the information you furnish on this statement is almost never used for any other purpose than stated in the foregoing, there is a possibility that information may be disclosed to another person or to an agency as follows: 1. to enable a third party or an agency to assist Social Security in determining continuing eligibility to SSI payments; and 2. to comply with Federal law requiring the release of information from Social Security records (e.g., to the Department of Veterans Affairs)

COMPUTER MATCHING - We may also use the information you give us when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.

You Must Report Certain Changes

The amount of your SSI check is based on the information you tell us. To continue getting the right payment amount, you must report certain changes that happen to you.

You must tell us about changes within 10 days after the month they happen. If you do not report changes, we may have to take as much as \$25, \$50, or \$100 out of future checks you receive.

You must also report changes in income for your ineligible spouse or children who live with you, or your sponsor or sponsor's spouse if you are an alien. You must also report if any of these people buy or sell anything of value.

Remember, changes could make your check bigger or smaller. **A List of Most of the Changes You Must Report Is On The Next Page.**

How To Report Changes

There are several ways you can report changes:

- Call us, toll free, at 1-800-772-1213.
- Call your local Social Security Office at the number above.
- By mail or in person -- see the address above.

Are You Working or Would You Like to work

If you would like to work or if you are already working and would like to earn more, you should know about SSI rules known as work incentives. These rules can help you keep your Medicaid and help you keep getting some SSI even though you are working.

If you want to know more about these rules, call us, toll free, at 1-800-772-1213 or write or visit any Social Security office.

If you call or visit, ask to speak to someone about work incentives.

Important Facts About Food Stamps

You can apply for food stamps at the Social Security Office if you and everyone in your household get or apply for SSI.

The Social Security Office will help you fill out the food stamp application. You do not have to go to the food stamp office to apply.
