The information on this form is needed by Social Security to make a decision on your claim or case. While giving us the information on this form is voluntary, failure to provide all or part of the requested information could prevent an accurate or timely decision on your claim or case. Although the information you furnish is almost never used for any purpose other than making a determination about your disability or continuing disability, such information may be disclosed by the Social Security Administration as follows: (1) to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal Laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and the Department of Veterans Affairs); and (3) to facilitate statistical research and such activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).
