Forms 641 and 888  
OGC version....

Curtis here are the supporting statements. I don't usually save electronic versions of the 83-Is and don't have them for these forms. Actually, I don't know how to save them from Informs. Would you like me to re-do them and email them to you?

I'll look over the new 1419 and get back to you later today.

Thanks, Rachel

Rachel:

Please review the attached changes to the SBA Form 1419. Let me know if all is ok. Also I will need the 83-I and supporting statement electronic portions for the 641, 888 and 1419.
