Sec. 5062. - Refund and drawback in case of exportation

(a) Refund

Under such regulations as the Secretary may prescribe, the amount of any internal revenue tax erroneously or illegally collected in respect to exported articles may be refunded to the exporter of the article, instead of to the manufacturer, if the manufacturer waives any claim for the amount so to be refunded.

(b) Drawback

On the exportation of distilled spirits or wines manufactured, produced, bottled, or packaged in casks or other bulk containers in the United States on which an internal revenue tax has been paid or determined, and which are contained in any cask or other bulk container, or in bottles packed in cases or other containers, there shall be allowed, under regulations prescribed by the Secretary, a drawback equal in amount to the tax found to have been paid or determined on such distilled spirits or wines. In the case of distilled spirits, the preceding sentence shall not apply unless the claim for drawback is filed by the bottler or packager of the spirits and unless such spirits have been marked, especially for export, under regulations prescribed by the Secretary. The Secretary is authorized to prescribe regulations governing the determination and payment or crediting of drawback of internal revenue tax on spirits and wines eligible for drawback under this subsection, including the requirements of such notices, bonds, bills of lading, and other evidence indicating payment or determination of tax and exportation as shall be deemed necessary.

(c) Exportation of imported liquors

(1) Allowance of tax

Upon the exportation of imported distilled spirits, wines, and beer upon which the duties and internal revenue taxes have been paid or determined incident to their importation into the United States, and which have been found after entry to be unmerchantable or not to conform to sample or specifications, and which have been returned to customs custody, the Secretary shall, under such regulations as he shall prescribe, refund, remit, abate, or credit, without interest, to the

importer thereof, the full amount of the internal revenue taxes paid or determined with respect to such distilled spirits, wines, or beer.

(2) Destruction in lieu of exportation

At the option of the importer, such imported distilled spirits, wines, and beer, after return to customs custody, may be destroyed under customs supervision and the importer thereof granted relief in the same manner and to the same extent as provided in this subsection upon exportation

§ 28.215 Certificate of tax determination, Form 5120.20.

Every claim for drawback of tax on Form 5120.24 shall be supported by a certificate, Form 5120.20, which shall be executed, in duplicate, (a) by the person who withdrew the wine from bond on tax determination, certifying that all taxes have been properly determined on such wine, or (b) where the wine was bottled or packaged after tax determination, by the person who did such bottling or packaging, certifying that the wines so bottled or packaged were received in taxpaid status and specifying from whom they were so received. The appropriate TTB officer may require other evidence of tax payment whenever such officer deems it necessary. The exporter is responsible for securing Form 5120.20, properly executed, and submitting the original of such form with the claim. The exporter shall retain the copy of Form 5120.20 for his files.
