

**DEPARTMENT OF VETERANS AFFAIRS**  
**Washington DC 20420**

Date: June 30, 2006

Attached is a revised package for the Veterans Employability Research Survey. We are requesting OMB clearance to conduct this survey. The original package was withdrawn in March in order to make revisions to strengthen the justification. Changes in the text of the package have been redlined. The complete package including a matrix showing research questions aligned with questionnaire items along with justifications is also attached. Also, introductory remarks on the questionnaires have been adjusted to more fully comply with requirements.

Susan Krumhaus  
Project Manager  
Veterans Employabilty Research Survey
