Privacy Act (5 U.S.C. § 552a)
Any person can request to see or get copies of any personal information that SBA has in his or her file, when that file is retrievable by individual identifiers, such as name or social security numbers. Requests for information about another party may be denied unless SBA has the written permission of the individual to release the information to the requestor or unless the information is subject to disclosure under the Freedom of Information Act.

Under the provisions of the Privacy Act, you are not required to provide your social security number. Failure to provide your social security number may not affect any right, benefit or privilege to which you are entitled. Disclosures of name and other personal identifiers are, however, required for a benefit, as SBA requires an individual seeking assistance from SBA to provide it with sufficient information for it to make an eligibility and credit decision. In making loans pursuant to Section 7(b) of the Small Business Act, SBA is required to have reasonable assurance that the loan is of sound value and will be repaid or that it is in the best interest of the Government to grant the assistance requested. For these purposes, you are asked to provide your name and loan number so that SBA can assure itself that loan proceeds are being properly used and so that borrowers may provide certifications before additional funds can be disbursed. All requests under this Act are to be addressed to Office of Disaster Assistance, FOIA/Privacy Act Officer, 409 3rd St, SW, Suite 6050, Washington, DC 20416.

PLEASE NOTE: SBA collects this information to verify use of loan proceeds and so that borrowers may provide certifications which are required before additional funds can be disbursed. The estimated burden for completing this form is 30 minutes per response. You are not required to respond to any collection of information unless it displays a currently valid OMB approval number. Comments on the burden should be sent to U.S. Small Business Administration, Chief, AIB, 409 3rd St., S.W., Washington D.C. 20416 and Desk Officer for the Small Business Administration, Office of Management and Budget, New Executive Office Building, Room 10202, Washington D.C. 20503.
