Please report the stocks in the refrigerated storage shown on the label. All individual reports are confidential and will be used only for statistical purposes. For those facilities, which store butter or cheese, an accurate response to this inquiry is mandatory and subject to verification by the Agricultural Marketing Service (AMS) under **Public Laws No. 106-532 and 107-171**. Law . 106-532 specifically protects the confidentiality of your report from public disclosure except as directed by the U.S. Secretary of Agriculture or the U.S. Attorney General for enforcement purposes to ensure compliance with the Dairy Product Mandatory Reporting program. Your cooperation will provide useful information to warehousemen, your customers and others marketing our national food supplies. Please note the instructions before preparing the report. Return one copy of this report in the enclosed envelope, which requires no stamp. Thank you for your assistance.

Please make corrections to name, address and Zip Code, if necessary.
