Dear Fruit Grower:

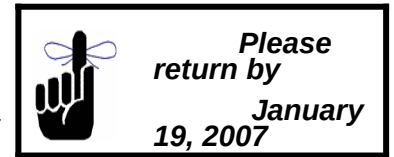

The purpose of this survey is to provide current information on Hawaii's fruit industry. Large and small growers are being contacted. Response to this survey is voluntary and not required by law. Accurate fruit statistics are essential for the industry as well as others who make decisions that affect farmers. Someone from our office may be contacting you regarding this survey. Federal regulations ensure that your individual report will remain strictly confidential. Please return this form in the enclosed envelope which needs no stamp.

Please make any corrections to your name, address, and ZIP Code directly above.

If your operation is known by another name please enter it here:
