Dear Reporter:

**PLEASE MAIL OR FAX BY DECEMBER 5.  
FAX Number: 1-888-478-5637**

To determine the average returns to growers for the 2004 crop of California almonds, we need reports from all handlers. The quantity purchased is needed to give the proper weight to each price reported. Response to this survey is voluntary and not required by law. However, cooperation is very important in order to accurately estimate almond prices in California.

Please return this report by December 5. A postage-paid envelope is enclosed for your convenience or you may FAX the report to 1-888-478-5637. Information from individual reports is **CONFIDENTIAL**; only State totals will be released. If you have any questions regarding this survey, please call Mark Belew at 1-800-851-1127. Thank you for your assistance.

Sincerely,

*Vic Tolomeo*
