Web-Based Electronic Response Option
Chronology of Mailings and Summary of Documents Sent

Note: Chronology and content list of each mailing are the same, though the regional and test mailings use different versions of survey.

Contact #1
The initial mailing consists of "Letter1_web_survey" (in English and Spanish) sent to all potential respondents that includes information about the web-based electronic response option. The Regional Forester of the Pacific Southwestern Region (Region 3) signed the letter.

Contact #2
This mailing sent to all addresses from the first mailing, except those who have already responded to the web version. Documents in this mailing include:
• "Letter2_web_survey" (English and Spanish)
• Questions & Answers page (English and Spanish),
• Survey (English) – regional and test survey versions differ,
• Spanish material request postcard (Spanish),
• The map.

Contact #3
This mailing will be sent to non-respondents as of a specific date. Documents in this mailing include:
• "Letter3_web_survey" (English and Spanish)
• Questions & Answers page (English and Spanish),
• Spanish material request postcard
