Dear Panel Member,

Today my questions are for the person whose age and sex appears above. This may be you. Please make sure the appropriate person in your household answers my questions. It is very important that only that person answers my questions.

**TO THE PERSON ANSWERING THIS QUESTIONNAIRE**

This survey about eating behaviors is being sponsored by the National Cancer Institute (NCI), part of the National Institutes of Health. Your feedback is very important. The results of this survey will help make a significant contribution to the goal of helping to make cancer a less common disease.

The questionnaire includes a wide range of questions about you – what you do, think, and feel. It is extremely important that you give honest answers to the survey questions. Please answer carefully and accurately.

Please carefully read the instructions at the beginning of each section. You will find that most of my questions can be answered by placing a circle around a number or an "X" in the box that best expresses your answer.

Your participation in this survey is completely voluntary. Please be assured that your responses will be kept confidential and will not be disclosed to anyone outside of NCI or its contractor, Synovate, except as otherwise required by law. Neither your name nor any other information about your identity will be provided to the sponsors of this survey. Data will be provided to the NCI in aggregate form only, with any potentially identifying information removed. You may skip any questions that you prefer not to answer. This survey should take approximately 25 minutes to complete.

.AS A TOKEN OF OUR APPRECIATION, I HAVE ENCLOSED \$2.00  
.THANK YOU IN ADVANCE FOR COMPLETING THIS QUESTIONNAIRE

Thank you so much for helping with this important survey. I hope you'll be able to return the questionnaire to me as soon as possible. I'm looking forward to receiving your answers. A postage-paid envelope is provided for your convenience.

Cordially,

*Marie*

**SECTION 3 – PHYSICAL ACTIVITY**

**22.** This question is about the physical activities you did last week. Physical activity includes the things that you do that make you breathe harder and/or make your heart beat faster. We are interested in the physical activities you did for at least 10 minutes at a time.

Thinking of the physical activities you did in the last week that made you breathe harder and/or made your heart beat faster for at least 10 minutes at a time, please write down how many hours and/or minutes you spent doing physical activities each day in the last 7 days. There are some examples below of the types of activities you should include. (WRITE IN HOURS AND/OR MINUTES FOR EACH DAY. IF YOU DID NOT DO ANY ACTIVITIES FOR AT LEAST 10 MINUTES ON A GIVEN DAY, WRITE "0")

Examples of activities you might do for at least 10 minutes at a time (**NOT A COMPLETE LIST**):

Brisk walking: Count brisk walking as physical activity if it makes you breathe harder. This might include walking around the neighborhood, walking back and forth to work, or walking as part of your job (if you are walking at a brisk pace most of the time). Do not count leisurely walking.

Exercise/Sport: Count things like aerobics, working out at the gym, jogging, running, swimming, kickboxing, dancing, playing active sports like basketball, or any other activities that make your heart beat faster.

Physical activity at work: Count things like heavy labor or lifting or anything thing else that makes you breathe harder for at least 10 minutes at a time.

Home and yard work: Count things like gardening, scrubbing floors, or mowing the lawn with a push mower. Make sure to count only the things that made your heart beat faster for at least 10 minutes.

Other: Count other activities that you do that make you breathe harder and/or make your heart beat faster for at least 10 minutes at a time.
