The screenshot shows a Microsoft Internet Explorer browser window displaying the EPA's Compliance and Enforcement website. The browser's address bar shows the URL <http://www.epa.gov/compliance/complaints/index.html>. The website header features the U.S. Environmental Protection Agency logo and the text "U.S. Environmental Protection Agency" and "Compliance and Enforcement". A navigation menu includes links for "Recent Additions", "Contact Us", "Print Version", and "Advanced Search". The main heading is "Report an Environmental Violation". A sidebar on the left lists various categories such as "Basic Information", "Where You Live", "Newsroom", "Compliance", "Enforcement", "Environmental Justice", "Governmental Collaboration", "National Environmental Policy Act", and "Data, Planning and Results". The main content area contains a form for reporting a violation, with fields for "Suspected Violator's name", "address", "city", "state", "zip code", and "Date of Incident". A note indicates that asterisks (*) denote required fields and that "Unknown" is an acceptable entry for missing information. An "Emergencies" button is also visible, with text: "Report oil or chemical spills at 800-424-8802 More...". The footer of the browser window shows the URL <http://www.epa.gov/cgi-bin/epalink?target=http://www.epa.gov/epahome/emergenc.htm&logname=epahome> and the "Internet" icon.
