

COMBINED FEDERAL CAMPAIGN

2006-2007 Application Instructions for National/International Federations

BACKGROUND

Enclosed is the model application for use participation—by national/international federations to participate in the Combined Federal Campaign (CFC). A federation is a group of voluntary charitable human health and welfare organizations created to supply common fundraising, administrative, and management services to its constituent members. A federation must have at least 15 member organizations, in addition to itself, that individually meet all of the CFC eligibility criteria. If your organization does not have 15 member organizations that meet the CFC eligibility criteria, it must apply as an ~~unaffiliated~~ independent organization using the ~~unaffiliated~~—independent organization application.

The following instructions and form are intended to assist charitable federations in applying for participation in the CFC. All aspects of the CFC, including eligibility for participation, are strictly governed by Federal regulation. Copies of current CFC regulations are available in PDF and Word formats on our website at www.opm.gov/cfc. Additional copies of the application can also be downloaded from the website. The Office of Personnel Management (OPM) encourages federations to apply early.

The application deadline for national/international federations seeking ~~national~~—eligibility is **5:00 p.m. Eastern Standard Time, ~~Tuesday~~ Wednesday, January 31, ~~2006~~ 2007**, but applications may be sent to OPM's Office of CFC Operations as early as **~~Thursday~~ Friday, December 1, ~~2005~~ 2006**. A timely application must be received by the deadline at the following address:

Office of Personnel Management

Office of CFC Operations
Room 5450
1900 E Street, NW
Washington, DC 20415

All required documents and attachments must be complete and submitted before the application deadline. ***Applicants whose applications do not contain required documents or who submit incomplete or out of date documents will not be permitted to correct their applications during the appeals process.*** Federations that apply for national/international eligibility and are found in-eligible have ***only one*** opportunity to appeal to the Director of OPM. The Director's decision is final for administrative purposes. Therefore, appellants should ensure that their appeals are complete and responsive to the actual reasons for the original denial decision.

OPM suggests that national/international federations use the model application provided when applying to the CFC. Although not required, the submission of this form will expedite the processing of individual applications. OPM will not accept applications with modifications to any of the certification statements.

In order to determine whether a federation may participate in the campaign, OPM may request evidence of corrective action regarding any prior violation of regulation or directive, sanction, or penalty, as appropriate. OPM will decide whether the federation has demonstrated, to OPM's satisfaction, that the federation has taken appropriate corrective action. Failure to demonstrate satisfactory corrective action or to respond to OPM's request for information within 10 business days of the date of the request may result in a determination that the federation will not be included in the Charity List list

FAXES OR ELECTRONIC SUBMISSIONS

~~A A~~ **Currently Participating Year CFC Federation Applicant** must submit a complete application for itself as well as each ~~new~~ member that is new to the federation (regardless of whether it participated as an independent organization or member of another federation in the 2006 CFC) and each member ~~previously~~ denied participation in the 2006 CFC.

Federations may submit member applications in PDF format. Each file must be clearly marked with the applicant's name and include all required attachments.

Item 1

An international federation must demonstrate that it has 15 or more member organizations that individually meet the eligibility criteria for international organizations (real services, benefits, assistance, or program activities in a foreign country over the three-year period immediately preceding the start of the application year). ~~For further information, please see CFC Memorandum 2004-10.~~

National/international organizations that are part of an IRS group exemption must provide a copy of the IRS letter granting the group exemption, as well as the list of subordinates that are covered by the group exemption. The EIN on the applicant's Form 990 must match the EIN on the IRS determination letter.
