National Oceanic and Atmospheric Administration (NOAA),
Coastal Services Center (Center)
GEARS, Inc.

Thank you for agreeing to take part in this survey of current fellows as part of the evaluation of the NOAA Coastal Management Fellowship Program. Your answers to the following questions will help us improve our understanding of the effectiveness of the fellowship program and how it impacts state coastal zone management programs and the professional goals of fellows. We are interested in your honest opinions, both positive and negative.

This survey will take approximately 35 minutes to complete. Your participation is completely voluntary and you may withdraw from the survey or refuse to answer any question at any time. There are no negative consequences should you decide not to participate in the survey. Only GEARS evaluation staff associated with this evaluation will have access to identifying information. Your survey will be combined with other surveys and only aggregate information will be reported in findings. Your responses will be held in the strictest confidence. All survey data will be kept in a secure location at GEARS and will be protected by GEARS to the extent allowed by the law. If you have any questions about the evaluation study, you can contact the lead evaluator, Dr. Deborah Brome, by telephone at 866-858-1261.
