### Draft Telephone Follow-Up

[IF OBVIOUS YOUTH – Ask to speak with an adult]

Hello, my name is \_\_\_\_\_ and I am calling from PA Consulting in [City, State] on behalf of the National Oceanic and Atmospheric Administration. I am trying to reach [name on address].

[IF RESPONDENT IS NOT AVAILABLE] → Is there another adult of the household that I could speak to?

[IF NOT AVAILABLE] → Thank you, I will call back later. When would be a good time to reach [name, or another adult head of household]?

[IF QUALIFIED RESPONDENT IS ON THE PHONE]

**QA** Recently, we mailed you a questionnaire asking your opinions about the future of Steller sea lions in Alaska and \$X as a token of our appreciation for completing the survey. The survey had a picture of Steller sea lions on the cover and some color graphics inside. Do you remember receiving that questionnaire?

- 1 YES
- 2 NO [*SKIP TO QA2*]

**QA1** As of today, we have not received your completed questionnaire. Your household is part of a small group of people we are asking for opinions, so your response is very important. If we send you another survey, could you find the time to complete the survey and return it to us within a week of receiving it?

- 1 YES – SEND NEW SURVEY [*SKIP TO VERIFY*]
- 2 YES – DO NOT NEED ANOTHER SURVEY [*THANK YOU. SKIP TO CONTINUE*]
- 3 SURVEY HAS ALREADY BEEN RETURNED [*THANK YOU, SKIP TO CONTINUE*]

The survey does not require any special knowledge. Is there another adult head of household that would be interested in completing the survey?

- 1 YES, GETTING THEM TO THE PHONE *[REPEAT QA2]*
- 2 YES, BUT NOT AVAILABLE AT THIS TIME *[SET CALLBACK]*
- 3 NO *[SKIP TO QB]*

Could I take about 4 minutes to ask you a few questions that will help us with our work? I'd like to remind you that all of your answers are kept separate from information about you, like your name. Moreover, only your responses will be provided to the researchers for analysis.

### QUESTIONS/COMMENTS AND ANSWERS

**[If concerned about purpose of the call]** This is not a marketing or sales call. We are collecting public input for government, industry, and citizen groups to consider when developing action plans for threatened and endangered species in Alaska. I want to assure you that your answers will be kept separate from information about you, like your name. Only your responses will be provided to researcher for analysis.

**[If asking about the study sponsor]** This survey is sponsored by the National Oceanic and Atmospheric Administration, a U.S. government agency charged with making decisions about threatened and endangered marine mammals.

**[Response to: "Why did you send money with the survey?"]** The survey is very important and we find we can get more citizen input for less money by including a small token of our appreciation with the survey. More people return the survey faster, so we don't have to contact as many households, or contact you as often, to get an accurate sample of the public's input.

**[I don't know anything about Steller Sea Lions].** The survey does not require to you have any special knowledge, we just ask that you consider each question and respond with your own opinion.

**[I don't care about Steller sea lions].** It is important that we hear that on the survey. If we only receive surveys from people who care a lot, that would result in biased results about what public opinion really is.
