[About STAR](#)**News & Updates**

Welcome to STAR!

Public reporting burden of this collection of information is estimated to average 25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer, 1600 Clifton Road NE, MS D-24, Atlanta, Georgia 30333; ATTN: PRA (0920-0571).

Clinical Services A1: Indicate the number of sites providing clinical screening and diagnostic services for program eligible women paid for by program funds (including match) for this reporting period. The total number of unduplicated sites is not necessarily equal to the sum of the other categories.

Type of Service	Number of Sites
Total Unduplicated Sites (any service)	
Mammography (with or without CBE) Screening	
Cervical Screening only	
Cervical Screening with CBE	
Breast Diagnostic Services	
Cervical Diagnostic Services
