Justification for Change (1010-0050)

This shows a correction to a previous change to 1010-0050 due to cost recovery rulemaking 1010-AD16, 70 FR 49871, August 25, 2005. While preparing a burden table for proposed rulemaking for 30 CFR 250, Subpart J, it became obvious that a fee from the cost recovery rule was inadvertently left out of the equation in a previous 83C submission for 1010-0050 (approved under Notice of Action 9/26/06).
