The Bureau of Labor Statistics would appreciate your help. We are getting ready to conduct the Housing Survey for the Consumer Price Index (CPI) in your city, and have asked The Gallup Organization to help us determine whether households in your area are owned or rented. By answering this one question, you will help reduce the overall cost of the Housing Survey. Although your participation is voluntary, this information is very important and will be kept confidential.

Please take a moment to complete the reverse side of the tear-off postcard and mail your response to Gallup right away. If you have questions about this request, please call Gallup toll-free at 1-866-834-5118.

Thank you for your help!
