### **Memo of Major Changes for Form 8847**

Overall, the changes made to Form 8847, Credit for Contributions to Selected Community Development Corporations, have been made to support the redesign of Form 3800, General Business Credit.

We are changing this form from an annual use form to a continuous use form. Therefore, the revision date changes from a specific year (“2006”) to a month/date format (“Rev. December 2006”).

The form will no longer be separated into parts. Therefore, the designations “Part I” and “Part II” have been deleted. Line 4 will now be the last line on the form. A partnership or S corporation will report the amount from line 4 on Schedule K of their applicable return. All other filers of Form 8847 will report the amount from line 4 on line 1x of Form 3800.

We have revised the instructions to match the changes made to the form. Part II of the instructions has been deleted.
