

## **Participants Wanted for Research Study**

The National Center for Health Statistics is looking for persons aged 15-20 to answer survey questions and talk about your answers in a group discussion. The survey questions are about opinions and experiences as a driver or passenger in motor vehicles. You do not have to be a driver to participate. We are looking for some people with driver's licenses, some with learner's permits, and some non-drivers. The discussion will be conducted in English and will be no longer than 90 minutes. Participants will receive \$30.
