Social Security Administration Non-Attorney Representative Demonstration Project

You must complete this application carefully and provide all supporting documentation. You must provide all required information before the end of the application period to be eligible for the Demonstration Project. If you have any questions, please call CPS Human Resource Services toll free at **1-800-376-5728**.

Purpose of this Form

Section 303 of the Social Security Protection Act of 2004 (SSPA) Public Law no.108-203 provides for a 5-year demonstration project to be conducted by SSA under which the direct payment of SSA-approved fees is extended to certain non-attorney claimant representatives. Under the SSPA, to be eligible for direct payment of fees, a non-attorney representative must fulfill the following statutory requirements: (1) Possess a bachelors degree or have equivalent qualifications derived from training and work experience; (2) pass an examination that tests knowledge of the relevant provisions of the Social Security Act; (3) secure professional liability insurance or equivalent insurance; (4) pass a background check; and (5) demonstrate completion of relevant continuing education courses.

Section 303(b) of the SSPA permits the Commissioner of Social Security to establish additional prerequisites. Pursuant to that authority, the Commissioner will require applicants to satisfy a representational experience requirement to participate in the demonstration project.

SSA must collect the requested information to determine if a non-attorney representative has met the requirements to be eligible for direct payment of fees for his or her claimant representation services. The information collection is needed to comply with the legislation. The respondents are non-attorney representatives who apply for direct payment of fees.

SSA will collect this information through the services of a private contractor, CPS Human Resource Services. CPS is assisting SSA in administering the process for determining eligibility of non-attorney representatives to participate in the demonstration project on direct payment of fees.

Application Fee

SSPA section 303(c) (1) provides that the Commissioner may assess applicants a reasonable fee to cover the costs of administering the prerequisites process. The fee will be \$1000 (in U.S. dollars) per applicant;

Applicants must include the fee payment with their application package;

Acceptable forms of fee payment will be by certified check, money order, a check drawn from a private firm's account, or credit card;

Applicants will pay their fees to CPS Human Resource Services; and

Applicants who are not found to be eligible may reapply

during the next application phase, but they will pay the full fee upon reapplying.

The fee will be non-refundable except in the following circumstance: If CPS fails to administer a scheduled examination; CPS will be required to refund the fee to those affected applicants who do not take the rescheduled examination

Education and Equivalent Qualifications

A bachelor's degree from an accredited institution of higher education has been established as a prerequisite for participating in the demonstration project. However, applicants who do not have a bachelor's degree may satisfy this prerequisite based on combinations of training and work experience that the Commissioner determines to be equivalent to a bachelor's degree. We have determined that any of the following combinations of education and experience shall be equivalent to having a bachelor's degree:

- If the applicant does not have a bachelor's degree, but has three years or more of undergraduate study at an accredited institution of higher learning, the applicant must have at least one year of relevant professional experience (as defined below), at least six months of which must have involved claims for benefits under title II or title XVI of the Act;
- If the applicant has at least two, but less than three years of undergraduate study at an accredited institution of higher learning, the applicant must have at least two years of relevant professional experience, at least one year of which must have involved claims for benefits under title II or title XVI of the Act;
- If the applicant has at least one, but less than two years of undergraduate study at an accredited institution of higher learning, the applicant must have at least three years of relevant professional experience, at least two years of which must have involved claims for benefits under title II or XVI of the Act; or
- If the applicant has less than one year of undergraduate study at an accredited institution of higher learning, or no undergraduate education, the applicant must have received a high school diploma or GED certificate and have at least four years of relevant professional experience, at least two years of which must have involved claims for benefits under title II or title XVI of the Act.

Relevant professional experience (for purposes of establishing qualifications equivalent to a bachelor's

degree) is work through which the applicant has demonstrated familiarity with medical reports and an ability to describe and assess mental and/or physical limitations. Such experience may be from the fields of: Teaching, counseling or guidance, social work, personnel management, public employment service, and/or nursing or other health care professional services. Any professional work involving claims for benefits under title II or title XVI of the Act shall also be defined as relevant professional experience.

An applicant who fails to submit proof of a bachelor's degree or equivalent qualifications before the application period closes shall be precluded from establishing, based on his or her current application, eligibility to take the examination and to participate in the demonstration project. However, the applicant may re-apply to participate in the demonstration project during a subsequent application period. Proof of Education is an official transcript showing the stamp or raised seal, or otherwise establishing that it is an official copy.

An applicant may possess a law degree (e.g., juris doctor); however, attorneys who already qualify to have their approved representatives' fees paid directly from their clients' past-due benefits pursuant to sections 206 and 1631(d)(2) of the Act will be ineligible to participate in this demonstration project. In addition, attorneys who are suspended or disbarred by a State or Federal court or disqualified from appearing before a Federal agency or program will be ineligible to participate in this demonstration project.

Representational Experience

All participants in the demonstration project (with or without a bachelor's degree) must have demonstrated experience in representing claimants before SSA. Applicants must meet the following minimum representational experience requirement:

The applicant must have provided representational services as the appointed representative for five claimants within a 24-month period;

The services may include representing the claimant at the time at which SSA decided the case at any administrative level or, in cases that have not yet been decided, appearing as the claimant's representative at a hearing before an SSA Administrative Law Judge (ALJ); and

The 24-month period must occur within the 60 months preceding the month in which the application was filed.

The following is an example of how to calculate the 24and 60- month periods for establishing representational experience:

The applicant files his or her application in March 2005. The 60-month period begins on March 1, 2000, and ends on February 28, 2005 (the last day of the month before the filing of the application).

The 24-month period can occur at any time between March 1, 2000, and February 28, 2005. For example, the applicant would meet the requirement if he or she served as the appointed representative for five separate claimants during the period from January 2001 through December 2002. Applicants are required to submit with their applications the names and the last four digits of the Social Security numbers of five claimants for whom the applicant provided representational services during the appropriate 24-month period. An applicant will not be required to provide additional information regarding the services provided a named claimant if the applicant provides a copy of any one of the following that the applicant received as the appointed representative of that claimant during the relevant 24-month period: a notice of either an initial determination, a reconsideration determination, an ALJ hearing, an ALJ decision, or an Appeals Council decision. Notices of determinations or decisions submitted may be of favorable, partially favorable or unfavorable determinations or decisions. (Applicants will be asked to redact copies of notices submitted to show only the last four digits of the claimant's Social Security number). If the applicant is unable to provide a copy of one of the specified notices with respect to a named claimant, the applicant will be asked to provide additional information regarding the dates and administrative level of the representational services provided that claimant.

Insurance

Non-attorney participants are required to have professional liability insurance, or equivalent insurance, which the Commissioner has determined to be adequate to protect claimants in the event of malpractice by the non-attorney representative. SSA has determined that applicants must have professional liability insurance for coverage of errors and omissions committed by the nonattorney representative, with a minimum total annual amount of coverage of \$1 million (for all incidents in that year) plus coverage of \$100,000 per incident. The insurance policy must be underwritten by a firm that is licensed to provide insurance in the State in which the non-attorney representative conducts business. The policy also must provide coverage for professional liability insurance claims made in those States in which the non-attorney representative represents claimants before SSA.

Business liability insurance will suffice in place of personal professional insurance, if the business insurance provides protection for the claimant equaling that provided under the requirements established for personal professional insurance. Thus, for example, since the standards for personal insurance will require minimum annual coverage of \$1 million (for all incidents in a year) and \$100,000 per incident, a business policy covering five non-attorney representatives would have to provide, to satisfy the insurance prerequisite, minimum annual coverage of \$5 million (for all incidents by the 5 representatives in a year), plus \$100,000 per incident involving the covered representatives. An applicant who fails to submit proof of the required insurance before the application period closes shall be precluded from establishing, based on his or her current application, eligibility to take the examination and to participate in the demonstration project. However, the applicant may re-apply to participate in the demonstration project during a subsequent application period.

Non-attorney representatives who establish eligibility to participate in the demonstration project will be required to maintain their insurance coverage in order to continue to receive direct fee payments from SSA.

Background Check

A background check is required of each non- attorney representative who applies to participate in the demonstration project to ensure his or her fitness to practice before SSA. SSA will reject any applicant who:

- Has been suspended or disqualified from practice before SSA;
- Has had a judgment or lien assessed against him/her by a civil court for malpractice and/or fraud;
- Has had a felony conviction;
- Engages in substantial misrepresentation in submitting his or her application and/or supporting materials for the application;
- Fails to pass an SSA administrative records check (check of SSN, etc.); or
- Fails to provide documentation as requested by CPS Human Resource Services to perform the criminal background investigation.

Examination

Applicants are required to pass an examination testing their knowledge of the relevant provisions of the Act and the most recent developments in Agency and court decisions affecting titles II and XVI of the Act. The examination is a 40 to 50 question, multiple choice examination. Examination details are as follows:

- A score of 70 percent will be a passing score;
- The examination instrument will be written in the English language only;
- We anticipate that the examination will be administered by CPS Human Resource Services and will be given only once, on a weekday, in association with each application period;
- During the examination, test-takers will have open-book access to certain reference materials that we will supply (see below for details);
- The examination will be based upon situations that arise from the subject areas contained in the reference materials; and
- Applicants will not be permitted to remove the examination instrument from the examination center.

Open-book reference materials: CPS will provide one copy of the 20 C.F.R., Chapter III (Parts 400-499) to

each person taking the examination. In addition, though not required for the examination, CPS will provide two copies of the Compilation of Social Security Laws, Volume 1 at each test location. We may provide additional materials; if so, we will provide details about the materials on the CPS Human Resource Services Web site. Applicants will not be permitted to bring any other items (including reference materials) to the examination center.

An applicant who fails to achieve a passing score may re-apply to participate in the demonstration project during a subsequent application period; however, they will be required to pay the application fee again.

Background Check Disclosure

ACCUSOURCE, INC.

PLEASE READ CAREFULLY

SSPA section 303(b) provides that an individual may not be found eligible to participate in the demonstration project without undergoing a criminal background check to ensure the individual's fitness to practice before SSA. All individuals applying to participate in this demonstration project are required to consent to a criminal background check that will be conducted for SSA and CPS by our firm, ACCUSOURCE, INC. (henceforth, AccuSource). Our address and telephone number are 1240 E. Ontario Avenue, Suite 102-140, Corona, California 92881, 951-734-8882.

APPLICANT AUTHORIZATION FOR RELEASE OF INFORMATION

I authorize AccuSource to conduct a criminal background check in which AccuSource may secure any criminal history information pertaining to me that may be in the files of any Federal, State, or Local criminal justice agency. I authorize any Federal, State, or Local criminal justice agency to release to AccuSource any criminal history information pertaining to me that may be in the agency's files. I authorize AccuSource, and any of its agents, to disclose orally and in writing the results of this criminal background check to CPS and SSA.

I understand that the results of the criminal background check may be used by SSA to determine my eligibility for the demonstration project on direct payment of fees, and may not otherwise be used except as authorized by law. In the event that SSA uses information from the criminal background check in whole or in part in making an adverse decision with regard to my eligibility to participate in the project, I understand that CPS will provide me a copy of the report on the criminal background check submitted by AccuSource and a description in writing of my right to protest the decision to SSA.

I understand that submission of this authorization is voluntary. I also understand that failure to provide the authorization and information required to conduct a criminal background check will cause SSA to deny my application.

I understand that copies of this authorization that show my signature are as valid as the original, and that this authorization is valid for 6 months from the date signed.
