Privacy Information: The Network to Freedom was established, in part, to facilitate sharing of information among those interested in the Underground Railroad. Putting people in contact with others who are researching related topics, historic events, or individuals or who may have technical expertise or resources to assist with projects is one of the most effective means of advancing Underground Railroad commemoration and preservation. Privacy laws designed to protect individual contact information (i.e., home or personal addresses, telephone numbers, fax numbers, or e-mail addresses), may prevent NPS from making these connections. If you are willing to be contacted by others working on Underground Railroad activities and to receive mailings about Underground Railroad-related events, please add a statement to your letter of consent indicating what information you are willing to share.

Paperwork Reduction Act Statement: This information is being collected for applications to the National Park Service's National Underground Railroad Network to Freedom to nominate properties, facilities, and programs to the Network to Freedom. A Federal agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Response to this request is required for inclusion in the Network to Freedom in accordance with the National Underground Railroad Network to Freedom Act (P.L. 105-203).

Estimated Burden Statement: Public reporting burden for this form is estimated to average 15 hours per response including time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form. Direct comments regarding this burden estimate or any aspect of this form to the National Coordinator, National Underground Railroad Network to Freedom, NPS, 601 Riverfront Drive, Omaha, Nebraska 68102.
