SEMI-ANNUAL PROGRESS REPORT FOR

Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program

Brief Instructions: This form must be completed for each Grants to Encourage Arrest Policies and Enforcement of Protection Orders Program (Arrest Program) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators or coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer, based on the activities engaged in under this grant during the current reporting period. Sections B, F, and G of this form must be completed by all grantees. In section A, subsection A1 must be answered. In section C, subsection C2 must be answered. In sections D, E, and subsections A2, C1, C3, C4, C5, and C6, grantees must answer an initial question in each section or subsection about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that section or subsection. If the response is no, the rest of that section or subsection is skipped.

For example, 1) if you are a victim services agency providing training and victim services with staff funded under this grant, you would complete A1, A2, B, C1, C2, D, F, and G (and answer 'no' in C3, C4, C5, C6, and E); or, 2) if you are a law enforcement agency receiving funds to pay for staff who provide training to other law enforcement officers, you would complete A1, A2, B, C1, C2, F, and G (and answer 'no' in C3, C4, C5, C6, D and E1-E5).

Information reported in sections D (Victim Services) and E5 (Batterer Intervention Program) is for grant-funded activities only. Information reported in sections E1-E4 (Law Enforcement, Prosecution, Courts, and Probation and Parole) must reflect the activities of the entire agency receiving the Arrest Program funds. All information should reflect activities for the current reporting period only.

The activities of volunteers or interns may be reported if they are coordinated or supervised by Arrest Program grant-funded staff or if Arrest Program grant funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contain detailed definitions and examples, illustrating how questions should be answered.
