Privacy Act Notice: The Privacy Act of 1974 (5 U.S.C. 552a) requires that the following notice be provided to you. The authority for collecting this information is contained in Executive Order 13285, signed January 29, 2003. The principle purpose for collecting this information is to recognize individuals, schools and organizations that excel in their efforts to support volunteer service and civic participation, especially with respect to students in primary and secondary schools, and institutions of higher learning. The information will be used to select winners of the President's Volunteer Service Awards and the Call to Service Awards. Nominations for these awards are voluntary. All information that is provided to the Corporation and its administrating organization will not otherwise be disclosed to entities outside of the Corporation without the approval of the individual or organization nominated for the award.

Instructions for FORM B (Individual Certification Form)

All President's Volunteer Service Awards must be verified and issued through institutions which we call Certifying Organizations (CO). If the nominee is an individual, family, or group who is seeking the PVSA and are associated with any organization such as a faith-based institution, school, higher education, nonprofit and community based organization, business, labor union, civic or service club, membership and trade association, and federal, state or local government agency, please ask for one of these to become a CO and verify your service.

There is a nominal charge for the recognition packet. Some organizations may cover the cost of the packet. If the CO is unable to cover this cost, it is appropriate for the individual volunteer, if asked, to help cover the cost.

To earn an award, individuals, families and groups must keep a record of volunteer activities and hours served. This record of service may be kept as a diary or calendar or tracked online with the USA Freedom Corps Record of Service available on the President's Volunteer Service Award site at www.presidentialserviceawards.gov. An individual between the ages of 5 and 14, must complete a minimum of 50 service hours during a 12-month period. An individual aged 15 and older, must complete a minimum of 100 service hours during a 12-month period.

Individual Information:

Please fill out the individual information for each recipient, giving full address including city, state, zip and phone number.

Volunteer Information: Please answer all questions.

How many hours did the awardee complete during the 12-month period? Please fill in number of hours. The 12-month period does not depend on a calendar year, school year, or any other time period other than the 12-month period preceding the application for the PVSA.

Has the nominee completed over 4000 hours of service over his/her lifetime? If so this individual has earned the President's Call to Service Award. During his 2002 State of the Union address, President George W. Bush called upon every American to get involved in strengthening America's communities and sharing America's compassion around the world. He called on each of us to dedicate at least two years, or 4000 hours, over the course of our lives to the service of others.

Where did the individual perform the majority of their volunteer service? Please fill in the blank with the location whether a U.S. state or other country, where the volunteer performed the majority of service. Service can be in many locations, so please just indicate where the majority of service took place.
