

Part B: Information about Digital Collection and Content

In this section we are gathering some basic information to include in the collection registry, a database of collections of digital content created through National Leadership Grants. This information will be used to create a brief record(s) describing your project's collection. We will contact you to verify and provide more detailed information about your collection before the collection registry is made publicly accessible.

6. By what name should the overall collection created by your NLG project be known?

7. Is this collection divided into sub-collections (for example, type of material or subject area)?

- Yes
- No (please skip to question 9)

8a If you answered yes to question 7, what is the organization of these sub-collections based on? (Please check all that apply)

- Topic Area
- Type of material
- Administrative unit (for example, the owning institution)
- Other (Please explain):

8b. How many sub-collections are within your overall collection?

9. What topic area(s) are covered by the collection of digital content?

10. What type(s) of material have been digitized or created digitally? (check all that apply)

- Image
- Text
- Sound
- Interactive Resource (resources that require interaction from the user in order to be understood, executed or experienced)
- Moving Image
- Other (Please explain):

11. Who is the primary audience(s) for the collection of digitized content? (check all that apply):

- General Public
- Elementary School Students
- Middle School Students
- High School Students
- K-12 Educational Community (Teachers, Administrators)
- Undergraduate Students
- Scholars/Researchers/Graduate Students
- Scientists
- Staff at Institution / Peers
- Other (Please specify, and separate multiple audiences with semicolons):

12. Is access to your collection limited to a specific group(s) of users?

- Yes If so, which group of users?
- No

13. Was any digital content in collection developed prior to the NLG award?

- Yes
- No

14. Has/will digital content be added to collection after the completion of the grant period?

Yes

No

15. Are there other online information resources at your institution or elsewhere that might be useful in conjunction with your collection? If so, please name.

Do you have any additional information or comments on this section of the survey?
