

## Review Draft 2006 EAC UOCAVA Voter Survey

Dear Voter,

We are conducting a survey of overseas and uniformed services absentee voters and are inviting you to tell us about your experiences with the election process. The United States Congress has asked for this study because of the reports that uniformed services and overseas voters often have problems when trying to vote. We are working with the United States Election Assistance Commission to make sure that your experiences and suggestions are being collected and forwarded to Congress.

Your responses are confidential so please take 8-10 minutes to fill out this survey, and tell us about your voting experience in November of 2006. This is a great opportunity to help improve the system and your participation matters: we can not do a good job without your help!

Thank you so much!
