(There is a time limitation for the filing of this certificate. It should be filed promptly.)

PRIVACY ACT NOTICE/PAPERWORK ACT NOTICE: The information requested on this form is authorized by the Social Security Act, Sections 202 (c), (f) and (h), as amended (42 U.S.C. 402 (c), (f) and (h)) and section 334 of Public Law 95-216. The information provided will be used to determine whether you meet the support requirements necessary for entitlement to the benefits for which you are applying or the application of the exception to government pension offset. Your response to these questions is voluntary; however, the Social Security Administration (SSA) cannot review the decision on this claim unless the information is furnished. While the information you furnish on this form would almost never be used for any purpose other than making a determination about your disability, such information may be disclosed by SSA as generally permitted under the Privacy Act of 1974, as amended, 5 U.S.C. § 552a. This includes using the information as necessary for administrative purposes or as authorized by routine uses in the applicable Privacy Act system of records. For example, SSA may disclose information to other agencies such as the General Accounting Office and the Veterans Administration to enable a third party or agency to assist Social Security in establishing rights to Social Security benefits and/or coverage, and to comply with Federal Laws requiring or permitting the release of information from Social Security records. Social Security may also disclose to the Bureau of the Census and private concerns under contract to Social Security to facilitate statistical research and audit activities necessary to assure the integrity and improvement of the Social Security programs. SSA may also use the information you give us when we match records by computer. Matched programs compare SSA records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows SSA to do this even if you do not agree to it. Explanations about possible reasons why information you provide us may be used or given out are available upon request from any Social Security office.
