FOR YOUR INFORMATION

An agency in your State that works with us in administering the Social Security disability program is responsible for making the disability decision on your claim. In some cases, it is necessary for them to get additional information about your condition or to arrange for you to have a medical examination at Government expense.

Collection and Use of Information From Your Application - Privacy Act Notice/Paperwork Act Notice

The Social Security Administration is authorized to collect the information requested on this form under sections 202, 205, and 223 of the Social Security Act. The information you provide will be used by the Social Security Administration to determine if you or a dependent is eligible to insurance coverage and/or monthly benefits. You do not have to give us the requested information. However, if you do not provide the information, we will be unable to make an accurate and timely decision concerning your entitlement or a dependent's entitlement to benefit payments.

The information you provide may be disclosed to another Federal, State, or local government agency for determining eligibility for a government benefit or program, to a Congressional office requesting information on your behalf, to an independent party for performance of research and statistical activities, or to the Department of Justice for use in representing the Federal government.

We may also use this information when we match records by computer. Matching programs compare our records with those of other Federal, State, or local government agencies. Many agencies may use matching programs to find or prove that a person qualifies for benefits paid by the Federal government. The law allows us to do this even if you do not agree to it.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices. If you want to learn more about this, contact any Social Security office.
