FOR LOCAL OFFICIALS:

Thank you for your interest in bringing Citizen Corps to your community. We are creating a directory of Citizen Corps Councils to help build a network of communities that are committed to engaging their citizens in being safer and better prepared for all emergency situations.

Through this network, your state and federal partners will be able to share relevant information with you and you will be able to exchange information with your counterparts. Please complete each field and submit this form only once for your Council. Once your information has been verified, we will post your Council on the Citizen Corps website. Thank you!
