

**HEA, SEC. 485; 20 U.S.C. 1092 - INSTITUTIONAL AND FINANCIAL ASSISTANCE INFORMATION FOR STUDENTS.**

(a) INFORMATION DISSEMINATION ACTIVITIES.—(1) Each eligible institution participating in any program under this title shall carry out information dissemination activities for prospective and enrolled students (including those attending or planning to attend less than full time) regarding the institution and all financial assistance under this title. The information required by this section shall be produced and be made readily available upon request, through appropriate publications, mailings, and electronic media, to an enrolled student and to any prospective student. Each eligible institution shall, on an annual basis, provide to all enrolled students a list of the information that is required to be provided by institutions to students by this section and section 444 of the General Education Provisions Act (also referred to as the Family Educational Rights and Privacy Act of 1974), together with a statement of the procedures required to obtain such information. The information required by this section shall accurately describe—

- (A) the student financial assistance programs available to students who enroll at such institution;
- (B) the methods by which such assistance is distributed among student recipients who enroll at such institution;
- (C) any means, including forms, by which application for student financial assistance is made and requirements for accurately preparing such application;
- (D) the rights and responsibilities of students receiving financial assistance under this title;
- (E) the cost of attending the institution, including (i) tuition and fees, (ii) books and supplies, (iii) estimates of typical student room and board costs or typical commuting costs, and (iv) any additional cost of the program in which the student is enrolled or expresses a specific interest;
- (F) a statement of—
  - (i) the requirements of any refund policy with which the institution is required to comply;
  - (ii) the requirements under section 484B for the return of grant or loan assistance provided under this title; and
  - (iii) the requirements for officially withdrawing from the institution;
- (G) the academic program of the institution, including (i) the current degree programs and other educational and training programs, (ii) the instructional, laboratory, and other physical plant facilities which relate to the academic program, and (iii) the faculty and other instructional personnel;
- (H) each person designated under subsection (c) of this section, and the methods by which and locations in which any

person so designated may be contacted by students and prospective students who are seeking information required by this subsection;

(I) special facilities and services available to handicapped students;

(J) the names of associations, agencies, or governmental bodies which accredit, approve, or license the institution and its programs, and the procedures under which any current or prospective student may obtain or review upon request a copy of the documents describing the institution's accreditation, approval, or licensing;

(K) the standards which the student must maintain in order to be considered to be making satisfactory progress, pursuant to section 484(a)(2);

(L) the completion or graduation rate of certificate- or degree-seeking, full-time, undergraduate 1 students entering such institutions;

(M) the terms and conditions under which students receiving guaranteed student loans under part B of this title or direct student loans under part E of this title, or both, may—

(i) obtain deferral of the repayment of the principal and interest for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501) et seq.)

or under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.), or for comparable full-time 1 service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service, and

(ii) obtain partial cancellation of the student loan for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501) et seq.) under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.) or, for comparable full-time 1 service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service;

(N) that enrollment in a program of study abroad approved for credit by the home institution may be considered enrollment in the home institution for purposes of applying for Federal student financial assistance; and

(O) the campus crime report prepared by the institution pursuant to subsection (f), including all required reporting categories.

(2) For the purpose of this section, the term "prospective student" means any individual who has contacted an eligible institution requesting information concerning admission to that institution.

(3) In calculating the completion or graduation rate under subparagraph (L) of paragraph (1) of this subsection or under subsection

(e), a student shall be counted as a completion or graduation if, within 150 percent of the normal time for completion of or graduation from the program, the student has completed or graduated from the program, or enrolled in any program of an eligible institution for which the prior program provides substantial preparation.

The information required to be disclosed under such subparagraph—

(A) shall be made available by July 1 each year to enrolled students and prospective students prior to the students enrolling or entering into any financial obligation; and

(B) shall cover the one-year period ending on August 31 of the preceding year.

(4) For purposes of this section, institutions may exclude from the information disclosed in accordance with subparagraph (L) of paragraph (1) the completion or graduation rates of students who leave school to serve in the armed services, on official church missions, or with a recognized foreign aid service of the Federal Government.

(5) The Secretary shall permit any institution of higher education that is a member of an athletic association or athletic conference that has voluntarily published completion or graduation rate data or has agreed to publish data that, in the opinion of the Secretary, is substantially comparable to the information required under this subsection, to use such data to satisfy the requirements of this subsection; and

(6) Each institution may provide supplemental information to enrolled and prospective students showing the completion or graduation rate for students described in paragraph (4) or for students transferring into the institution or information showing the rate at which students transfer out of the institution.

\* \* \* \* \*

(e) DISCLOSURES REQUIRED WITH RESPECT TO ATHLETICALLY RELATED STUDENT AID.—(1) Each institution of higher education which participates in any program under this title and is attended by students receiving athletically related student aid shall annually submit a report to the Secretary which contains—

(A) the number of students at the institution of higher education who received athletically related student aid broken down by race and sex in the following sports: basketball, football, baseball, cross country/track, and all other sports combined;

(B) the number of students at the institution of higher education, broken down by race and sex;

(C) the completion or graduation rate for students at the institution of higher education who received athletically related student aid broken down by race and sex in the following sports: basketball, football, baseball, cross country/track and all other sports combined;

(D) the completion or graduation rate for students at the institution of higher education, broken down by race and sex;

(E) the average completion or graduation rate for the 4 most recent completing or graduating classes of students at the institution of higher education who received athletically related student aid broken down by race and sex in the following categories: basketball, football, baseball, cross country/track, and all other sports combined; and

(F) the average completion or graduation rate for the 4 most recent completing or graduating classes of students at the institution of higher education broken down by race and sex.

(2) When an institution described in paragraph (1) of this sub-section offers a potential student athlete athletically related student aid, such institution shall provide to the student and the student's parents, guidance counselor, and coach the information contained in the report submitted by such institution pursuant to paragraph (1). If the institution is a member of a national collegiate athletic association that compiles graduation rate data on behalf of the association's member institutions that the Secretary determines is substantially comparable to the information described in paragraph (1), the distribution of the compilation of such data to all secondary schools in the United States shall fulfill the responsibility of the institution to provide information to a prospective student athlete's guidance counselor and coach.

(3) For purposes of this subsection, institutions may exclude from the reporting requirements under paragraphs (1) and (2) the completion or graduation rates of students and student athletes who leave school to serve in the armed services, on official church missions, or with a recognized foreign aid service of the Federal Government.

(4) Each institution of higher education described in paragraph (1) may provide supplemental information to students and the Secretary showing the completion or graduation rate when such completion or graduation rate includes students transferring into and out of such institution.

(5) The Secretary, using the reports submitted under this sub-section, shall compile and publish a report containing the information required under paragraph (1) broken down by—

(A) individual institutions of higher education; and

(B) athletic conferences recognized by the National Collegiate Athletic Association and the National Association of Intercollegiate Athletics.

(6) The Secretary shall waive the requirements of this sub-section for any institution of higher education that is a member of an athletic association or athletic conference that has voluntarily published completion or graduation rate data or has agreed to publish

data that, in the opinion of the Secretary, is substantially comparable to the information required under this subsection.

(7) The Secretary, in conjunction with the National Junior College Athletic Association, shall develop and obtain data on completion or graduation rates from two-year colleges that award athletically related student aid. Such data shall, to the extent practicable, be consistent with the reporting requirements set forth in this section.

(8) For purposes of this subsection, the term “athletically related student aid” means any scholarship, grant, or other form of financial assistance the terms of which require the recipient to participate in a program of intercollegiate athletics at an institution of higher education in order to be eligible to receive such assistance.

(9) The reports required by this subsection shall be due each July 1 and shall cover the 1-year period ending August 31 of the preceding year.

TITLE 34--EDUCATION

CHAPTER VI--OFFICE OF POSTSECONDARY EDUCATION, DEPARTMENT OF EDUCATION

PART 668--STUDENT ASSISTANCE GENERAL PROVISIONS--Table of Contents

Subpart D--Student Consumer Information Services

Sec. 668.41 Reporting and disclosure of information.

(a) Each institution participating in any title IV, HEA program shall disseminate to all enrolled students, and to prospective students upon request, through appropriate publications and mailing, information concerning--

(1) The institution (see Sec. 668.44); and

(2) Any student financial assistance available to students enrolled in the institution (see Sec. 668.43).

(3) The institution's completion or graduation rate and its transfer-out rate, produced in accordance with Sec. 668.46.

(b)(1) Each institution participating in any title IV, HEA program, when it offers a potential student-athlete athletically-related student aid, shall provide to the potential student-athlete, and his or her parents, high school coach, and guidance counselor, the information on completion and graduation rates, transfer-out rates, and other data produced in accordance with Sec. 668.49.

(2) The institution shall also submit to the Secretary the report produced in accordance with Sec. 668.49 by July 1, 1997 and by every July 1 every year thereafter.

(c) The following definitions apply to this subpart:

Athletically-related student aid means any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution.

Certificate or degree-seeking student means a student enrolled in a course of credit who is recognized by the institution as seeking a degree or certificate.

First-time freshman student means an entering freshman who has never attended any institution of higher education. Includes a student enrolled in the fall term who attended a postsecondary institution for the first time in the prior summer term, and a student who entered with advanced standing (college credit earned before graduation from high school).

Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. This is typically four years (8 semesters or

trimesters, or 12 quarters, excluding summer terms) for a bachelor's degree in a standard term-based institution, two years (4 semesters or trimesters, or 6 quarters, excluding summer terms) for an associate degree in a standard term-based institution, and the various scheduled times for certificate programs.

Prospective students means individuals who have contacted an eligible institution requesting information concerning admission to that institution.

Undergraduate students, for purposes of this section only, means students enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate. (Authority: 20 U.S.C. 1092)

(d) [Reserved]

(e)(1)(i) An institution of higher education subject to Sec. 668.48 shall make available to students, prospective students, and the public upon request the information contained in the report described in Sec. 668.48(c). The institution shall make the information easily accessible to students, prospective students, and the public and shall provide the information promptly to anyone who requests the information.

(ii) The institution shall inform all students and prospective students of their right to request that information.

(2) Each institution shall make available its first report under Sec. 668.48 not later than October 1, 1996, and make available each subsequent report no later than October 15 each year thereafter. (Approved by the Office of Management and Budget under control numbers 1840-0711 and 1840-0719). **Sec. 668.46 Information on completion or graduation rates.**

(a)(1) An institution shall prepare annually information regarding the completion or graduation rate and the transfer-out rate of the certificate- or degree-seeking, full-time undergraduate students entering that institution on or after July 1, 1996.

(2)(i) An institution that offers a predominant number of programs based on semesters, trimesters, or quarters shall base its completion or graduation rate and transfer-out rate calculations on the group of certificate- or degree-seeking, full-time undergraduate students who enter the institution during the fall term.

(ii) An institution not covered by the provisions of paragraph (a)(2)(i) of this section shall base its completion or graduation rate and transfer-out rate calculations on the group of certificate- or degree-seeking, full-time undergraduate students who enter the institution between every July 1st of one year and June 30th of the following year.

(3)(i) For purposes of the completion or graduation rate and

transfer-out rate calculations required in paragraph (a)(1) of this section, an institution shall count as entering students only first-time freshman students, as defined in Sec. 668.41(c).

(ii) An institution may also calculate the completion or graduation rate of students who transfer into the institution as a separate, supplemental rate.

(4)(i) An institution covered by the provisions of paragraph (a)(2)(i) of this section shall count as an entering student a first-time freshman student who is enrolled as of October 15, or the end of the institution's drop-add period.

(ii) An institution covered by the provisions of paragraph (a)(2)(ii) of this section shall count as an entering student a first-time freshman student who has attended at least one day of class.

(5)(i) Beginning with the group of students who enter the institution between July 1, 1996 and June 30, 1997, an institution shall disclose its completion or graduation rate and transfer-out rate information no later than the January 1 immediately following the point in time that 150% of the normal time for completion or graduation has elapsed for all of the students in the group on which the institution bases its completion or graduation rate and transfer-out rate calculations.

(ii) An institution shall disclose no later than January 1 each year thereafter its completion or graduation rate information for each succeeding group of students who completed or graduated within 150% of the normal time for completion or graduation from their programs as of June 30 of the preceding year.

(b) In calculating the completion or graduation rate under paragraph (a) of this section, an institution shall count as completed or graduated--

(1) Students who have completed or graduated within 150% of the normal time for completion or graduation from their program;

(2) Students who have completed a transfer program as described in Sec. 668.8(b)(1)(ii) within 150% of normal time for completion from that program may be counted as completers.

(c)(1) In calculating the transfer-out rate under section paragraph (a) of this section, an institution shall count as students who have transferred out those students who, within 150% of the normal time for completion or graduation from the program in which the student was enrolled, subsequently enroll in any program of an eligible institution for which the prior program provides substantial preparation;

(2) An institution shall document that its program provided substantial preparation to a student by obtaining a copy of any of the following:

(i) Certification letter from the receiving institution stating that a student is enrolled in that institution;

(ii) Electronic certification from the receiving institution stating that a student is enrolled in that institution;

(iii) Confirmation of enrollment data from a legally-authorized

statewide or regional tracking system (or shared information from those systems) confirming that a student has enrolled in another institution;

(iv) Institutional data exchange information confirming that a student as enrolled in another institution; or

(v) An equivalent level of documentation.

(d) For the purpose of calculating a completion or graduation rate and a transfer-out rate, an institution may exclude from the calculation of its completion or graduation rate and its transfer-out rate students who--

(1) Have left school to serve in the Armed Forces;

(2) Have left school to serve on official church missions;

(3) Have left school to serve with a foreign aid service of the Federal Government, such as the Peace Corps; or

(4) Are deceased, or totally and permanently disabled.

(e)(1) The Secretary grants a waiver of the requirements of this section to any institution that is a member of an athletic association or conference that has voluntarily published completion or graduation rate data, or has agreed to publish data, that the Secretary determines are substantially comparable to the data required by this section.

(2) An institution that receives a waiver of the requirements of this section must still comply with the requirements of Secs. 668.41(a)(3) and 668.41(b) of this subpart.

(3) An institution, or athletic association or conference applying on behalf of an institution that seeks a waiver under paragraph (e)(1) of this section shall submit a written application to the Secretary that explains why it believes the data the athletic association or conference publishes are accurate and substantially comparable to the information required by this section.

Sec. 668.49 Report on completion or graduation rates for student-athletes.

(a)(1) By July 1, 1997, and by every July 1 every year thereafter, each institution that is attended by students receiving athletically-related student aid shall produce an annual report containing the following information:

(i) The number of students, categorized by race and gender, who attended that institution during the year prior to the submission of the report.

(ii) The number of students described in paragraph (a)(1)(i) of this section who received athletically-related student aid, categorized by race and gender within each sport.

(iii) The completion or graduation rate and transfer-out rate of all the entering, certificate- or degree-seeking, full-time, undergraduate students described in Sec. 668.46(a) (1), (2), (3) and (4) categorized by race and gender.

(iv) The completion or graduation rate and transfer-out rate of the entering students described in Sec. 668.46(a) (1), (2), (3)and (4) who

received athletically-related student aid, categorized by race and gender within each sport.

(v) The average completion or graduation rate and transfer-out rate for the four most recent completing or graduating classes of entering students described in Sec. 668.46(a) (2), (3), and (4) categorized by race and gender. If an institution has completion or graduation rates and transfer-out rates for fewer than four of those classes, it shall disclose the average rate of those classes for which it has rates.

(vi) The average completion or graduation rate and transfer-out rate for the four most recent completing or graduating classes of entering students described in Sec. 668.46(a) (2), (3), and (4) who received athletically-related student aid, categorized by race and gender within each sport.

If an institution has completion or graduation rates and transfer-out rates for fewer than four of those classes, it shall disclose the average rate of those classes for which it has rates.

(2) For purposes of this section, sport means--

- (i) Basketball;
- (ii) Football;
- (iii) Baseball;
- (iv) Cross-country and track combined; and
- (v) All other sports combined.

(3) If a category of students identified in paragraph (a)(1)(iv) above contains five or fewer students, the institution need not disclose information on that category of students.

(b) The provisions of Sec. 668.46 (a), (b), (c) and (d) apply for purposes of calculating the completion or graduation rates and transfer-out rates required under paragraphs (a)(1)(iii), (a)(1)(iv), and (a)(1)(v) of this section.

(c) Each institution of higher education described in paragraph (a) of this section may also provide to students and the Secretary supplemental information containing--

(1) The graduation or completion rate of the students who transferred into the institution; and

(2) The number of students who transferred out of the institution.

(d) The provisions of § 668.46(e) apply for purposes of this section.

(b) DETERMINATIONS.—The institution's refund policy shall be considered to be fair and equitable for purposes of this section if that policy provides for a refund in an amount of at least the largest of the amounts provided under—

(1) the requirements of applicable State law;

(2) the specific refund requirements established by the institution's nationally recognized accrediting agency and approved by the Secretary; or

(3) the pro rata refund calculation described in subsection (c), except that this paragraph will not apply to the institution's refund policy for any student whose date of withdrawal from the institution is after the 60 percent point (in time) in the period of enrollment for which the student has been charged.

(c) DEFINITIONS.—(1) As used in this section, the term "pro rata refund" means a refund by the institution to a student attending such institution for the first time of not less than that portion of the tuition, fees, room and board, and other charges assessed the student by the institution equal to the portion of the period of enrollment for which the student has been charged that remains on the last day of attendance by the student, rounded downward to the nearest 10 percent of that period, less any unpaid charges owed by the student for the period of enrollment for which the student has been charged, and less a reasonable administrative fee not to exceed the lesser of 5 percent of the tuition, fees, room and board, and other charges assessed the student, or \$100.

(2) For purposes of paragraph (1), "the portion of the period of enrollment for which the student has been charged that remains", shall be determined—

(A) in the case of a program that is measured in credit hours, by dividing the total number of weeks comprising the period of enrollment for which the student has been charged into the number of weeks remaining in that period as of the last recorded day of attendance by the student;

(B) in the case of a program that is measured in clock hours, by dividing the total number of clock hours comprising the period of enrollment for which the student has been charged into the number of clock hours remaining to be completed by the student in that period as of the last recorded day of attendance by the student; and

(C) in the case of a correspondence program, by dividing the total number of lessons comprising the period of enrollment for which the student has been charged into the total number of such lessons not submitted by the student.

(U.S.C. 1091b)

**SEC. 485. INSTITUTIONAL AND FINANCIAL ASSISTANCE INFORMATION FOR STUDENTS.**

(a) INFORMATION DISSEMINATION ACTIVITIES.—(1) Each eligible institution participating in any program under this title shall carry out information dissemination activities for prospective and enrolled students (including those attending or planning to attend less than full time) regarding the institution and all financial assistance under this title. The information required by this section

shall be produced and be made readily available, through appropriate publications and mailings, to all current students, and to any prospective student upon request. The information required by this section shall accurately describe—

(A) the student financial assistance programs available to students who enroll at such institution;

(B) the methods by which such assistance is distributed among student recipients who enroll at such institution;

(C) any means, including forms, by which application for student financial assistance is made and requirements for accurately preparing such application;

(D) the rights and responsibilities of students receiving financial assistance under this title;

(E) the cost of attending the institution, including (i) tuition and fees, (ii) books and supplies, (iii) estimates of typical student room and board costs or typical commuting costs, and (iv) any additional cost of the program in which the student is enrolled or expresses a specific interest;

(F) a statement of the refund policy of the institution, as determined under section 484B, for the return of unearned tuition and fees or other refundable portion of cost, as described in subparagraph (E) of this paragraph, which refunds shall be credited in the following order:

(i) to outstanding balances on loans under part B of this title for the period of enrollment for which a refund is required,

(ii) to outstanding balances on loans under part D of this title for the period of enrollment for which a refund is required,

(iii) to outstanding balances on loans under part E of this title for the period of enrollment for which a refund is required,

(iv) to awards under subpart 1 of part A of this title,

(v) to awards under subpart 3 of part A of this title,

(vi) to other student assistance, and

(vii) to the student;

(G) the academic program of the institution, including (i) the current degree programs and other educational and training programs, (ii) the instructional, laboratory, and other physical plant facilities which relate to the academic program, and (iii) the faculty and other instructional personnel;

(H) each person designated under subsection (c) of this section, and the methods by which and locations in which any person so designated may be contacted by students and prospective students who are seeking information required by this subsection;

(I) special facilities and services available to handicapped students;

(ii) obtain partial cancellation of the student loan for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501 et seq.)) under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.) or, for comparable full-time<sup>1</sup> service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service; and

(N) that enrollment in a program of study abroad approved for credit by the home institution may be considered enrollment in the home institution for purposes of applying for Federal student financial assistance.

(2) For the purpose of this section, the term "prospective student" means any individual who has contacted an eligible institution requesting information concerning admission to that institution.

(3) In calculating the completion or graduation rate under subparagraph (L) of paragraph (1) of this subsection or under subsection (e), a student shall be counted as a completion or graduation if, within 150 percent of the normal time for completion of or graduation from the program, the student has completed or graduated from the program, or enrolled in any program of an eligible institution for which the prior program provides substantial preparation. The information required to be disclosed under such subparagraph—

(A) shall, for any academic year beginning more than 270 days after the Secretary first prescribes final regulations pursuant to such subparagraph (L), be made available to current and prospective students prior to enrolling or entering into any financial obligation; and

(B) shall cover the one-year period ending on June 30 of the preceding year.

(K) the standards which the student must maintain in order to be considered to be making satisfactory progress, pursuant to section 484(a)(2);

(L) the completion or graduation rate of certificate- or degree-seeking, full-time, undergraduate<sup>1</sup> students entering such institutions;

(M) the terms and conditions under which students receiving guaranteed student loans under part B of this title or direct student loans under part E of this title, or both, may—

(i) obtain deferral of the repayment of the principal and interest for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501 et seq.)) or under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.), or for comparable full-time<sup>1</sup> service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service, and

(ii) obtain partial cancellation of the student loan for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501 et seq.)) under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.) or, for comparable full-time<sup>1</sup> service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service; and

(N) that enrollment in a program of study abroad approved for credit by the home institution may be considered enrollment in the home institution for purposes of applying for Federal student financial assistance.

(2) For the purpose of this section, the term "prospective student" means any individual who has contacted an eligible institution requesting information concerning admission to that institution.

(3) In calculating the completion or graduation rate under subparagraph (L) of paragraph (1) of this subsection or under subsection (e), a student shall be counted as a completion or graduation if, within 150 percent of the normal time for completion of or graduation from the program, the student has completed or graduated from the program, or enrolled in any program of an eligible institution for which the prior program provides substantial preparation. The information required to be disclosed under such subparagraph—

(A) shall, for any academic year beginning more than 270 days after the Secretary first prescribes final regulations pursuant to such subparagraph (L), be made available to current and prospective students prior to enrolling or entering into any financial obligation; and

(B) shall cover the one-year period ending on June 30 of the preceding year.

of the documents describing the institution's accreditation, approval, or licensing;

(K) the standards which the student must maintain in order to be considered to be making satisfactory progress, pursuant to section 484(a)(2);

(L) the completion or graduation rate of certificate- or degree-seeking, full-time, undergraduate<sup>1</sup> students entering such institutions;

(M) the terms and conditions under which students receiving guaranteed student loans under part B of this title or direct student loans under part E of this title, or both, may—

(i) obtain deferral of the repayment of the principal and interest for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501 et seq.)) or under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.), or for comparable full-time<sup>1</sup> service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service, and

(ii) obtain partial cancellation of the student loan for service under the Peace Corps Act (as established by the Peace Corps Act (22 U.S.C. 2501 et seq.)) under the Domestic Volunteer Service Act of 1973 (42 U.S.C. 4951 et seq.) or, for comparable full-time<sup>1</sup> service as a volunteer for a tax-exempt organization of demonstrated effectiveness in the field of community service; and

(N) that enrollment in a program of study abroad approved for credit by the home institution may be considered enrollment in the home institution for purposes of applying for Federal student financial assistance.

(2) For the purpose of this section, the term "prospective student" means any individual who has contacted an eligible institution requesting information concerning admission to that institution.

(3) In calculating the completion or graduation rate under subparagraph (L) of paragraph (1) of this subsection or under subsection (e), a student shall be counted as a completion or graduation if, within 150 percent of the normal time for completion of or graduation from the program, the student has completed or graduated from the program, or enrolled in any program of an eligible institution for which the prior program provides substantial preparation. The information required to be disclosed under such subparagraph—

(A) shall, for any academic year beginning more than 270 days after the Secretary first prescribes final regulations pursuant to such subparagraph (L), be made available to current and prospective students prior to enrolling or entering into any financial obligation; and

(B) shall cover the one-year period ending on June 30 of the preceding year.

<sup>1</sup> Amendment made by sec. 10(a) of P.L. 102-26, 105 Stat. 123, inserted "undergraduate" after "full-time" without further specification.

(4) For purposes of this section, institutions may exclude from the information disclosed in accordance with subparagraph (L) of paragraph (1) the completion or graduation rates of students who leave school to serve in the armed services, on official church missions, or with a recognized foreign aid service of the Federal Government.

(5) The Secretary shall permit any institution of higher education that is a member of an athletic association or athletic conference that has voluntarily published completion or graduation rate data or has agreed to publish data that, in the opinion of the Secretary, is substantially comparable to the information required under this subsection, to use such data to satisfy the requirements of this subsection; and

(b) EXIT COUNSELING FOR BORROWERS.—(1)(A) Each eligible institution shall, through financial aid officers or otherwise, make available counseling to borrowers (individually or in groups) of loans which are made, insured, or guaranteed under part B (other than loans made pursuant to section 428B) of this title or made under part D or E of this title prior to the completion of the course of study for which the borrower enrolled at the institution or at the time of departure from such institution. The counseling required by this subsection shall include—

(i) the average anticipated monthly repayments, a review of the repayment options available, and such debt and management strategies as the institution determines are designed to facilitate the repayment of such indebtedness; and

(ii) the terms and conditions under which the student may obtain partial cancellation or defer repayment of the principal and interest pursuant to sections 428(b), 464(c)(2), and 465.

(B) In the case of borrower who leaves an institution without the prior knowledge of the institution, the institution shall attempt to provide the information described in subparagraph (A) to the student in writing.

(2)(A) Each eligible institution shall require that the borrower of a loan made under part B, D, or E submit to the institution, during the exit interview required by this subsection—

(i) the borrower's expected permanent address after leaving the institution (regardless of the reason for leaving);

(ii) the name and address of the borrower's expected employer after leaving the institution;

(iii) the address of the borrower's next of kin; and

(iv) any corrections in the institution's records relating the borrower's name, address, social security number, references, and driver's license number.

(B) The institution shall, within 60 days after the interview, forward any corrected or completed information received from the borrower to the guaranty agency indicated on the borrower's student aid records.

(c) FINANCIAL ASSISTANCE INFORMATION PERSONNEL.—Each eligible institution shall designate an employee or group of employees who shall be available on a full-time basis to assist students or potential students in obtaining information as specified in subsection (a). No such employer may include permission to exempt any such institution from designating a specific individual or a group of individuals to carry out the provisions of this section.

(d) DEPARTMENTAL PUBLICATION OF DESCRIPTIONS OF ASSISTANCE PROGRAMS.—The Secretary shall make available to eligible institutions, eligible lenders, and secondary schools descriptions of Federal student assistance programs including the rights and responsibilities of student and institutional participants, in order to (1) assist students in gaining information through institutional sources, and (2) assist institutions in carrying out the provisions of this section, so that individual and institutional participants will be fully aware of their rights and responsibilities under such programs. In particular, such information shall include information to enable students and prospective students to assess the debt burden and monthly and total repayment obligations that will be incurred as a result of receiving loans of varying amounts under this title. In addition, such information shall include information to enable borrowers to assess the practical consequences of loan consolidation, including differences in deferment eligibility, interest rates, monthly payments, and finance charges, and samples of loan consolidation profiles to illustrate such consequences. The Secretary shall provide information concerning the specific terms and conditions under which students may obtain partial or total cancellation or deferment of loans for service, shall indicate (in terms of the Federal minimum wage) the maximum level of compensation and allowances that a student borrower may receive from a tax-exempt organization to qualify for a deferment, and shall explicitly state that students may qualify for such partial cancellations or deferments when they serve as a paid employee of a tax-exempt organization. Such information shall be provided by eligible institutions and eligible lenders at any time that information regarding loan availability is provided to any student.

(e) DISCLOSURES REQUIRED WITH RESPECT TO ATHLETICALLY RELATED STUDENT AID.—(1) Each institution of higher education which participates in any program under this title and is attended by students receiving athletically related student aid shall annually submit a report to the Secretary which contains—

(A) the number of students at the institution of higher education who received athletically related student aid broken down by race and sex in the following sports: basketball, football, baseball, cross country/track, and all other sports combined;

(B) the number of students at the institution of higher education, broken down by race and sex;

(C) the completion or graduation rate for students at the institution of higher education who received athletically related student aid broken down by race and sex in the following sports: basketball, football, baseball, cross country/track and all other sports combined;

MANNEN

(D) the completion or graduation rate for students at the institution of higher education, broken down by race and sex;

(E) the average completion or graduation rate for the 4 most recent completing or graduating classes of students at the institution of higher education who received athletically related student aid broken down by race and sex in the following categories: basketball, football, baseball, cross country/track, and all other sports combined; and

(F) the average completion or graduation rate for the 4 most recent completing or graduating classes of students at the institution of higher education broken down by race and sex.

(2) When an institution described in paragraph (1) of this subsection offers a potential student athlete athletically related student aid, such institution shall provide to the student and his parents, his guidance counselor, and coach the information contained in the report submitted by such institution pursuant to paragraph (1).

(3) For purposes of this subsection, institutions may exclude from the reporting requirements under paragraphs (1) and (2) the completion or graduation rates of students and student athletes who leave school to serve in the armed services, on official church missions, or with a recognized foreign aid service of the Federal Government.

(4) Each institution of higher education described in paragraph (1) may provide supplemental information to students and the Secretary showing the completion or graduation rate when such completion or graduation rate includes students transferring into and out of such institution.

(5) The Secretary, using the reports submitted under this subsection, shall compile and publish a report containing the information required under paragraph (1) broken down by—

(A) individual institutions of higher education; and

(B) athletic conferences recognized by the National Collegiate Athletic Association and the National Association of Intercollegiate Athletics.

(6) The Secretary shall waive the requirements of this subsection for any institution of higher education that is a member of an athletic association or athletic conference that has voluntarily published completion or graduation rate data or has agreed to publish data that, in the opinion of the Secretary, is substantially comparable to the information required under this subsection.

(7) The Secretary, in conjunction with the National Junior College Athletic Association, shall develop and obtain data on completion or graduation rates from two-year colleges that award athletically related student aid. Such data shall, to the extent practicable, be consistent with the reporting requirements set forth in this section.

(8) For purposes of this subsection, the term "athletically related student aid" means any scholarship, grant, or other form of financial assistance the terms of which require the recipient to participate in a program of intercollegiate athletics at an institution of higher education in order to be eligible to receive such assistance.

(9) This subsection shall not apply to any institution of higher education that follows, by more than 270 days, the Secretary's final regulations. The reports required by this subsection shall be submitted on or before July 1 and each succeeding July 1 and June 30 of the preceding year.

(f) DISCLOSURE OF CAMPUS CRIME STATISTICS.—(1) Each institution of higher education shall select the following information regarding campus crime statistics and campus security policies and procedures on or before September 1, 1992, and each year thereafter, and shall distribute, through appropriate channels, such information to current students and employees, and upon request, to former students and employees, or employment upon request, and shall make available, at least the following information regarding campus crime statistics and campus security policies and procedures:

(A) A statement of current campus security policies and procedures and facilities for student safety, including actions or other emergency procedures concerning the institution's campus.

(B) A statement of current campus security policies and procedures, including access to campus facilities, campus security considerations, and campus security policies and procedures.

(C) A statement of current campus security enforcement, including—

(i) the enforcement of campus security policies, including their working procedures, and

(ii) policies which require the reporting of all crimes to appropriate police agencies.

(D) A description of current campus security procedures and practices designed to inform students and employees to be responsible for their own security of others.

(E) A description of current campus security procedures and practices for the protection of students and employees about the campus.

(F) Statistics concerning campus crime for the most recent calendar year and for the two preceding calendar years for which criminal offenses were reported to local police agencies—

(i) murder;

(ii) sex offenses, including rape;

(iii) robbery;

(iv) aggravated assault;

(v) burglary; and

(vi) motor vehicle theft.

(G) A statement of current campus security procedures and practices for recording through local police agencies and off-campus student organizations.

(9) This subsection shall not be effective until the first July 1 that follows, by more than 270 days, the date on which the Secretary first prescribes final regulations pursuant to this subsection. The reports required by this subsection shall be due on that July 1 and each succeeding July 1 and shall cover the 1-year period ending June 30 of the preceding year.

(f) DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS.—(1) Each eligible institution participating in any program under this title shall on August 1, 1991, begin to collect the following information with respect to campus crime statistics and campus security policies of that institution, and beginning September 1, 1992, and each year thereafter, prepare, publish, and distribute, through appropriate publications or mailings, to all current students and employees, and to any applicant for enrollment or employment upon request, an annual security report containing at least the following information with respect to the campus security policies and campus crime statistics of that institution:

(A) A statement of current campus policies regarding procedures and facilities for students and others to report criminal actions or other emergencies occurring on campus and policies concerning the institution's response to such reports.

(B) A statement of current policies concerning security and access to campus facilities, including campus residences, and security considerations used in the maintenance of campus facilities.

(C) A statement of current policies concerning campus law enforcement, including—

(i) the enforcement authority of security personnel, including their working relationship with State and local police agencies; and

(ii) policies which encourage accurate and prompt reporting of all crimes to the campus police and the appropriate police agencies.

(D) A description of the type and frequency of programs designed to inform students and employees about campus security procedures and practices and to encourage students and employees to be responsible for their own security and the security of others.

(E) A description of programs designed to inform students and employees about the prevention of crimes.

(F) Statistics concerning the occurrence on campus, during the most recent calendar year, and during the 2 preceding calendar years for which data are available, of the following criminal offenses reported to campus security authorities or local police agencies—

- (i) murder;
- (ii) sex offenses, forcible or nonforcible;
- (iii) robbery;
- (iv) aggravated assault;
- (v) burglary; and
- (vi) motor vehicle theft.

Source: 51 FR 4323, Dec. 1, 1986, unless otherwise noted.

§ 668.41 Reporting and disclosure of information.

(a) Each institution participating in any title IV, HEA program shall disseminate to all enrolled students, and to prospective students upon request, through appropriate publications and mailing, information concerning—

- (1) The institution (see § 668.44); and
(2) Any student financial assistance available to students enrolled in the institution (see § 668.43).

(3) The institution's completion or graduation rate and its transfer-out rate, produced in accordance with § 668.46.

(b)(1) Each institution participating in any title IV, HEA program, when it offers a potential student-athlete athletically-related student aid, shall provide to the potential student-athlete, and his or her parents, high school coach, and guidance counselor, the information on completion and graduation rates, transfer-out rates, and other data produced in accordance with § 668.49.

(2) The institution shall also submit to the Secretary the report produced in accordance with § 668.49 by July 1, 1997 and by every July 1 every year thereafter.

(c) The following definitions apply to this subpart:

Athletically-related student aid means any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution.

Certificate or degree-seeking student means a student enrolled in a course of credit who is recognized by the institution as seeking a degree or certificate.

First-time freshman student means an entering freshman who has never attended any institution of higher education. Includes a student enrolled in the fall term who attended a postsecondary institution for the first time in the prior summer term, and a student who entered with advanced standing (college credit earned before graduation from high school).

Normal time is the amount of time necessary for a student to complete all requirements for a degree or certificate according to the institution's catalog. This is typically four years (8 semesters or trimesters, or 12 quarters, excluding summer terms) for a bachelor's degree in a standard term-based institution, two years (4 semesters or trimesters, or 6 quarters, excluding summer terms) for an associate degree in a standard term-based institution, and the various scheduled times for certificate programs.

§ 668.42

*Prospective students* means individuals who have contacted an eligible institution requesting information concerning admission to that institution.

*Undergraduate students*, for purposes of this section only, means students enrolled in a 4- or 5-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate.

(d) [Reserved]

(e)(1)(i) An institution of higher education subject to § 668.48 shall make available to students, prospective students, and the public upon request the information contained in the report described in § 668.48(c). The institution shall make the information easily accessible to students, prospective students, and the public and shall provide the information promptly to anyone who requests the information.

(ii) The institution shall inform all students and prospective students of their right to request that information.

(2) Each institution shall make available its first report under § 668.48 not later than October 1, 1996, and make available each subsequent report no later than October 15 each year thereafter.

§ 668.42 Preparation and dissemination of materials.

For each award year in which a participant in any title IV, HEA program, an institution shall—

(a) If necessary, prepare and publish materials covering the topics set forth in § 668.43 and § 668.44 and

(b) Make the materials available through appropriate publications and mailings to—

(1) All currently enrolled students; and

(2) Prospective students, upon request of that student.

§ 668.43 Financial assistance information.

(a)(1) Information on financial assistance that the institution must publish and make readily available to current and prospective students under this subpart includes, but is not limited to, a description of all the Federal, State, local, private and institutional student financial assistance programs available to students who enroll at the institution.

(2) These programs include both need-based and non-need-based programs.

(3) The institution must describe its own financial assistance programs by listing them in general categories.

(b) For each program referred to in paragraph (a) of this section, the information provided by the institution must describe—

(1) The procedures and forms by which students apply for assistance;

(2) The student eligibility requirements;

(3) The criteria for selecting recipients from the group of eligible applicants; and

(4) The criteria for determining the amount of a student's award.

(c) The institution shall describe the rights and responsibilities of students receiving financial assistance and, specifically, assistance under the title IV, HEA program. This description must include specific information regarding—

(1) Criteria for continued student eligibility under each program;

(2)(i) Standards which the student must maintain in order to be considered to be making satisfactory progress in his or her course of study for the purpose of receiving financial assistance; and

(ii) Criteria by which the student who has failed to maintain satisfactory progress may re-establish his or her eligibility for financial assistance;

(3) The method by which financial assistance disbursements will be made to students and the frequency of those disbursements;

(4) The terms of any loan received by a student as part of the student's financial assistance package, a sample loan repayment schedule for sample loans and the necessity for repaying loans;

(b) *Waiver.* (1) the Secretary may waive the requirement that the employee or group of employees designated under paragraph (a) of this section be available on a full-time basis if the institution's total enrollment, or the portion of the enrollment participating in the title IV, HEA programs, is too small to necessitate an employee or group of employees being available on a full-time basis.

(2) In determining whether an institution's total enrollment or the number of title IV, HEA program recipients is too small, the Secretary considers whether there will be an insufficient demand for information dissemination services among those enrolled or prospective students to necessitate the full-time availability of an employee or group of employees.

(3) To receive a waiver, the institution shall apply to the Secretary at the time and in the manner prescribed by the Secretary.

(c) The granting of a waiver under paragraph (b) of this section does not exempt an institution from designating a specific employee or group of employees to carry out on a part-time basis the information dissemination requirements.

**§ 668.46 Information on completion or graduation rates.**

(a)(1) An institution shall prepare annually information regarding the completion or graduation rate and the transfer-out rate of the certificate- or degree-seeking, full-time undergraduate students entering that institution on or after July 1, 1996.

(2)(i) An institution that offers a predominant number of programs based on semesters, trimesters, or quarters shall base its completion or graduation rate and transfer-out rate calculations on the group of certificate- or degree-seeking, full-time undergraduate students who enter the institution during the fall term.

(ii) An institution not covered by the provisions of paragraph (a)(2)(i) of this section shall base its completion or graduation rate and transfer-out rate calculations on the group of certificate- or degree-seeking, full-time undergraduate students who enter the

institution between every July 1st of one year and June 30th of the following year.

(3)(i) For purposes of the completion or graduation rate and transfer-out rate calculations required in paragraph (a)(1) of this section, an institution shall count as entering students only first-time freshman students, as defined in § 668.41(c).

(ii) An institution may also calculate the completion or graduation rate of students who transfer into the institution as a separate, supplemental rate.

(4)(i) An institution covered by the provisions of paragraph (a)(2)(i) of this section shall count as an entering student a first-time freshman student who is enrolled as of October 15, or the end of the institution's drop-add period.

(ii) An institution covered by the provisions of paragraph (a)(2)(ii) of this section shall count as an entering student a first-time freshman student who has attended at least one day of class.

(5)(i) Beginning with the group of students who enter the institution between July 1, 1996 and June 30, 1997, an institution shall disclose its completion or graduation rate and transfer-out rate information no later than the January 1 immediately following the point in time that 150% of the normal time for completion or graduation has elapsed for all of the students in the group on which the institution bases its completion or graduation rate and transfer-out rate calculations.

(ii) An institution shall disclose no later than January 1 each year thereafter its completion or graduation rate information for each succeeding group of students who completed or graduated within 150% of the normal time for completion or graduation from their programs as of June 30 of the preceding year.

(b) In calculating the completion or graduation rate under paragraph (a) of this section, an institution shall count as completed or graduated—

(1) Students who have completed or graduated within 150% of the normal time for completion or graduation from their program;

(2) Students who have completed a transfer program as described in § 668.3(b)(1)(ii) within 150% of normal
