U.S. Department of Housing and Urban Development
Office of Housing
Federal Housing Commissioner

OMB Approval No. 2502-0112
(exp. 05/31/2008)

Public reporting burden for this collection of information is estimated to average 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

The collection of this information is required by Section 227 of the National Housing Act (P.L. 479, 48 Stat., 1246, 12 USC 1701 et seq). Regulations stipulating these rules are Section 200.95 and 891.545. This form must be completed so that HUD can make an informed determination of mortgage insurance acceptability and to prevent windfall profits. The data collected is from the mortgagor relative to the actual cost of the project. The actual cost data is reviewed by HUD staff to determine that the mortgagor's original endorsement mortgage is supported by the applicable percentage of approved costs. Failure to receive and review the cost certification data could result in the Department's over-insurance of the mortgage in violation of the law. No questions of a sensitive nature are included on this form.
