The forms are being revised to add a section that reflects the statutory requirement that certain protections afforded to victims of domestic violence under the Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA 2005) are included in Housing Choice Voucher program HAP Contracts and Leases.

The new language in form HUD 52641 is found at Part C, Section 8(e). The new language in form HUD 52641(a) is found at Section 8(e). (See attached.)

These revisions do not require any additional information from or action by the owner or PHA. Furthermore, the revised forms are only used at such times that the PHA would be entering into a new HAP contract under current program requirements, the burden and cost of which are already reflected in 2577-0169. These revisions have no impact on the annual reporting and record-keeping burden hours or costs that are currently reported for these forms.
