PIC Help Ticket No.: [   ]

Comments: [   ]   **HQ Comments:** [   ]

A PHA is required to enter a valid PICHelp Ticket Number if it is rejecting certification for a development.

1999 Unit Count: 60   **1999 Aggregate Bedroom Count:**   128

Correction: [   ]   Correction: [   ]

Correction Comments: [   ]   Correction Comments: [   ]

A PHA that disagrees with the 1999 unit count and/or 1999 aggregate bedroom count is to enter correction information and comments but not to reject certification for the development if the other data for the development is accurate.
