SEMI-ANNUAL PROGRESS REPORT FOR

Legal Assistance to Victims Grant Program

Brief Instructions: This form must be completed for each Legal Assistance for Victims Program (LAV Program) grant received. The grant administrator or coordinator must ensure that the form is completed fully with regard to all grant-funded activities. Grant partners, however, may complete sections relevant to their portion of the grant. Grant administrators and coordinators are responsible for compiling and submitting a single report that reflects all information collected from grant partners.

All grantees should read each section to determine which questions they must answer based on the activities engaged in under this grant during the current reporting period. Sections B and E must be completed by all grantees. In section A, subsection A1 must be answered. In section C, subsection C2 must be answered. In Section D and subsections A2, C1, C3, C4, and C5, grantees must answer an initial question about whether they engaged in certain activities during the current reporting period. If the response is yes, then the grantee must complete that section/subsection. If the response is no, the rest of that section/subsection is skipped.

For example, 1) if you are a legal services organization providing legal services with staff funded under this grant, you would complete sections A, B, D, E, and subsection C2 (and answer "no" in C1, C3, C4 and C5); or 2) if you receive funds for staff to provide training and technical assistance and funds for data collection, you would complete sections A, B, and E, and subsections C1, C2, C4, and C5 (and answer "no" in C3).

The activities of volunteers or interns may be reported if they are coordinated or supervised by LAV Program-funded staff or if LAV Program grant funds substantially support their activities.

For further information on filling out this form, refer to the separate set of instructions, which contains detailed definitions and examples, illustrating how questions should be answered.
