I further understand that as the principal adult U.S. citizen applicant(s) for repatriation or emergency medical and dietary assistance my U.S. passport will be canceled and I will be issued a passport limited for direct return to the U.S. As the principal adult U.S. citizen applicant(s), my name will be included in the passport lookout system until the debt has been repaid. I clearly understand that I am accepting evacuation/repatriation of my own free will and at my own risk. In a crisis evacuation, the cost of transportation charged to me will be based on the most recent full coach fare to the flight destination. I further understand that the evacuation flight may not comply with normal international and safety regulations, and in the case of military aircraft travel, the U.S. Government acts only as agent and not as contracting carrier. (Box should be checked by all U.S. citizens and non-U.S. citizens applying for crisis evacuation loan/assistance.)									
I understand that assistance requested from the Department of Health and Human Services (HHS) will be provided based on availability upon arrival in the United States. In addition, reception and resettlement assistance provided by HHS is in the form of a loan which has to be paid back to the U.S. Government. (Box should be checked by all persons requiring HHS reception and resettlement assistance in the United States.)
