Dear JOHN Q & MARY Q SAMPLE:

A few days ago you received a letter from K. Steven Burgess, Director, Examination Division, asking for your help with an important research project.

We are administering a nationwide survey among people who have had contact with the Internal Revenue Service (IRS). We want to know your opinions about the IRS Audit process. Your responses are critical to the accuracy of this research.

We are sending questionnaires to a random sample of taxpayers who have gone through an examination of a recent tax return. All responses are confidential, and your participation is voluntary. We will group your responses with others, so that no individual reply can be traced back to any one person.

The questionnaire is quite brief and should take less than five minutes to complete. Please use the postage-paid reply envelope to return your completed questionnaire. If you have any questions or concerns, please feel free to call The Survey Processing Center Helpline at 1-866-377-8208.

The IRS is committed to improving its performance and service to the American public. A first step in this process is to gather reliable information from those who have had contact with IRS services and employees. Your honest opinions will help bring about this improvement.

Sincerely,

Dr. Peter Webb
Project Director
